LAST YEAR, 1973 AND IN THE FUTURE: THE BRUINS PLAY ONLY THE BEST!

Yes, UCLA has, does and will schedule only major football opponents. Below is the Bruins' 11-game schedule for 1973, a typically solid slate including seven games with traditional Pacific-8 Conference rivals, two with Big Ten teams, one with a Big Eight power and one with a Western Athletic Conference representative.

On adjoining inside cover are the Bruins' schedules for next four years—and a quick glance indicates they'll be facing many perennial pigskin powers as well as their usual potent Pac-8 foes in the annual "Race for the Rose Bowl."

Then on the next page are the 1972 results, the first year of the UCLA Wishbone, a year in which the Bruins posted a most solid 8-3 record overall and a runner-up 5-2 mark in Pac-8 play.

THE 1973 UCLA SCHEDULE

...AND THE 12th GAME?

Yes, the Pacific-8 Conference champion will climax its 1973 campaign by meeting the Big 10 Conference champion in the granddaddy of all post-season games, the world-famous Rose Bowl, in Pasadena, California, on Tuesday, January 1, 1974, at 2:00 p.m.

UCLA WINS THREE NCAA TITLES IN 1972-73, BUT ALSO PLACES 2nd, 3rd AND 4th In NCAA TEAM ACTION, TOO

Yes, 1972-73 was another good year at UCLA.

The Bruins not only won three coveted NCAA team championships — in water polo, basketball and track — but also finished near the top nationally in soccer (second), tennis (third) and swimming (fourth). Plus, the Bruins' four-man varsity crew won the National Collegiate title and Rugby team won World Cup series.

In toto, perhaps, these accomplishments are equally impressive with the Bruins' four NCAA team titles the previous three years: winning water polo, basketball, volleyball and tennis in 1969-70; winning basketball, volleyball, tennis and track in 1970-71; and winning water polo, basketball, volleyball and track in 1971-72.

No other school has ever had such back-to-back success in NCAA title competition; in fact, only one other school has ever won four team crowns in one year. That was USC in 1962-63, winning in baseball, swimming, tennis and track.

In all, the Bruins have now won 30 coveted NCAA team championships down through the years, 10 in tennis (1950-52-53-54-56-60-61-65-70-71), nine in basketball (1964-65-67-68-69-70-71-72-73) five in track (1956-66-71-72-73), three in volleyball (1970-71-72) and three in water polo (1969-71-72).

INSTALLING FOOTBALL'S WISHBONE-T ATTACK by UCLA's head coach Pepper Rodgers and the Bruins' assistant head coach, Homer Smith, is a 95,000-word book prepared out of the experience of installing the offensive. It can be secured by sending a check for $8.25 to INSTALLING WISHBONE-T, Department of Intercollegiate Athletics, UCLA, 405 Hilgard Ave., Los Angeles, Calif. 90024. Coach Smith wrote the following special piece for this 1973 UCLA Football Guide in response to the question:

WHAT MAKES THE WISHBONE UNIQUE?

THERE IS NOTHING new about a T-formation which has three running backs behind the quarterback. There is nothing new about triple optioning with the fullback as the inside threat or about leading an option with a backfield blocker.

Rather than being an invention, the Wishbone-T is an assemblage of pieces of T offense which have many years and yards on them. The Inside Belly play, which puts a halfback off-tackle, was pioneered at Georgia Tech in the 1950's when Pepper Rodgers was quarterbacking. The Counter Dive and Counter Option Plays (where the quarterback starts one way, then reverses direction) are almost identical to the 1946 Split-T plays which carried the same names.

And yet the offense has a shape and an execution appearance which makes it unique. This short piece about the Wishbone is in response to the question, "What Makes It Unique?"

Our Wishbone is patterned after the record-setting offenses run at Texas and Oklahoma. At one time Coach Rodgers called it a "vanilla" version, a pure Wishbone without fancy flavorings. He meant that our basic play is the play which the formation was created to launch—a triple option with the fullback diving inside and the onside halfback blocking one of the perimeter defenders—and that every other play in the offense begins with a fake of the basic play.

The unique appearance of a "vanilla" Wishbone comes from such an association of plays. Every play compliments every other play. And the association of plays, or the series integrity as we call it, is made possible by the unique shape of the formation.

We prefer option offense for a reason which goes as far as the psychological advantage of what is called positive thinking. Option offense separates defenders for purposes of identification and target assignment. The threats which are presented as the basic play is being executed—the dive and pitch threats with the quarterback keep and pass threats in between—force a defense to cover more square yards of grass than any other T-formation play.

The defense is stretched; separated. Offenders can see what happens to their plays. And when they can see and correct and plan for a better play there is a positiveness in their thinking which imbues the whole program.

This is not to argue that the Wishbone is superior, but rather to explain what makes it unique and why we prefer it for our athletes.

Does it require particular types of athletes? The quarterback must be an aggressive athlete and the fullback must be hard and sharp through the line.

Do we triple option? Yes. Is the Wishbone predicated

WHAT MAKES THE WISHBONE UNIQUE?

(Continued)

on the ability to triple option? Yes. Coach Rodgers says, "You perfect the triple option so that you can enjoy the advantage of running a double option." The triple makes slanting and other stunting dangerous and forces defenses into predictable interior alignments which can be blocked on the pre-determined outside play.

Can you throw effectively from the formation? Yes.

It is our way of doing offensive things at this time, and seemingly everyone in the football program respects the assemblage of weapons. Defenses will play better against it this year and probably still better next year. There is room for perfecting within the Wishbone shape, however, and we believe that there will be an evolutionary movement about it for several years to come.

When we run the offense properly, it is nothing more than a whole lot of what T offense is when it is at its best—straight ahead blocking, good use of vision, elimination of pursuit keys for the defense, complete backfield faking, and "north and south" running.

UCLA's 55th YEAR OF FOOTBALL

This is UCLA's 55th year of playing intercollegiate football. During this span the Bruins have developed from an athletic nonenity to one of the country's foremost all-around athletic powers, a university which strives for and attains excellence in both academics and athletics. The Bruins go into this 1973 season with an all-time football record of 272 wins, 211 losses and 26 ties for a .560 winning percentage.

Pepper Rodgers is UCLA's 11th football coach. The others were Fred Cozens (1919), Harry Trotter (1920-22), James Cline (1923-24), Bill Spaulding (1925-38), Babe Horrell (1939-44), Bert LaBrucherie (1945-48), Red Sanders (1949-57), George Dickerson and Bill Barnes (1958), Bill Barnes (1959-64) and Tommy Prothro (1965-70).

UCLA's 15th YEAR IN PAC-8

UCLA has been a member of the Pacific-8 Conference since it was organized July 1, 1959, and was originally called the Athletic Association of Western Universities. The other founding members were California, Stanford, USC and Washington. Washington State became a member July 1, 1962. Oregon and Oregon State became members July 1, 1964. Here is UCLA's grid record against traditional Pac-8 rivals since 1959:

TEAM	W	L	T	TEAM	W	L	T
California	11	3	0	USC	5	8	1
Oregon	2	1	0	Washington	4	10	0
Oregon State	3	2	1	Washington State	5	0	0
Stanford	10	3	1	UCLA Totals	40	27	2

THE 1973 BRUINS

RETURNING VETERANS — 32 returning lettermen from a team that was 8-3-0 in 1972, winning games against No. 1-ranked Nebraska, Stanford, California and three other Pacific-8 teams. One additional letterman from 1971 also returns. Returnees include: Offense —two ends, two tackles, three guards, one center, two quarterbacks, four halfbacks, one fullback and a kicking specialist. Defense — three ends, three tackles, four guards, three linebackers, two halfbacks and two safetymen. Of the returnees, the following started games: Offense—Ed Kezirian, lt, 8; Steve Klosterman (All-Coast), rg, 11; Al Oliver, rt, 3; Mark Harmon, qb, 11; James McAlister, lh (now moved to fullback), 10; Russel Charles, lh, 1; Kermit Johnson, rh, 11. Defense—Cal Peterson, le, 11; Gerry Roberts, lt, 3; Rick Baska, lg (now moved to left linebacker), 10; Greg Norfleet, lg (now moved to nose guard), 1; Gerald Peeke, rg (now a right tackle), 11; Tom Waddell, rt (now right linebacker), 9; Art Fry, rt (now left linebacker), 2; Fred McNeill (All-Coast), re, 9; Steve Hookano, llb, 9; Gene Settles, llb, 5; Herschel Ramsey, rlb (now safety), 5; Jimmy Allen, rh, 11; Jim Bright, s, 7; Mike Fryer, s, 3. The most notable changes certainly include the move of All-Conference McAlister from left half to fullback, where his outstanding ball-carrying abilities may make him more effective in his second year of The Wishbone offense, even after a fine '72 season in which he netted 778 yards for a 4.9 average and nine touchdowns. Both he and right half Kermit Johnson (All-Coast), who netted a record-breaking 952 for a 6.8 average and seven touchdowns, could be two of the nation's greatest. The moves of Baska and Waddell to linebacker spots give additional strength where needed, while Ramsey, will be much more at home at safety. Quarterback Mark Harmon, the Bruins' total offense leader with 1018 yards (444 rushing, 574 passing) will be back to pilot the UCLA Wishbone, along with improving Sophomore John Sciarra. Then of course Efren Herrera, the Bruins' leading scorer for two years, will be back at his specialty of converting and kicking field goals. Last year he booted 45 of 47 PAT's and six of 15 field goals. Defensively, right Cornerback Jimmy Allen, who intercepted seven enemy passes in '72, will return to head up a fine defensive secondary. The fine end pair of Peterson and McNeill also return, hopefully to stardom, while Settles and Hookano will really be reinforced in fine style by Waddell and Baska at the linebacking positions.

LOSSES—22 lettermen, including: Offense—four ends, one tackle, one guard, two centers, one quarterback, two halfbacks, two fullbacks and one punter. Defense—one end, one tackle, three linebackers, one halfback and two safetymen. Following are the starters lost: Offense —Brad Lyman, se, 11; Russ Leal, lg, 11; Randy Gaschler, c, 11; Bruce Walton, rt, 11; Jack Lessner, te, 11; Randy Tyler, fb, 7; Gary Campbell, fb, 4. Defense—Paul Moyneur, re, 2; Allan Ellis, lh, 11; Alan Lemmerman, s, 1. Walton and Ellis, both All-Coasters, will be sorely missed, as will the fullback combination of Campbell and Tyler and the outstanding back-up quarterbacking of Rob Scribner. Others who contributed mightily were the fine trio of split ends, Brad Lyman, Terry Vernoy and Reggie Echols and, of course, big Jack Lassner at tight end and the talented and unsung Randy Gaschler, whose switch from guard to center

was one of the brilliant moves of 1972. Finally, one of the most-missed of the departing Bruins will be Punter Bruce Barnes, who led the Pacific-8 for three years in his specialty and ended his career with a 41.77 average, one of the best in Bruin annals.

PROMISING SOPHOMORES—Split End Norm Andersen catching the ball, left Half Eddie Ayers running the ball, and Quarterback John Sciarra, both passing and running, are three names for the future book. Talented, fine athletes, they will make their mark early. Randy Cross, 240, at center, is also an outstanding prospect.

JUNIOR COLLEGE TRANSFERS—No less than 18 newcomers in this category make it the largest such group in many years at UCLA. In Spring Practice nose Guard Pat Sweetland, 240, from Orange Coast College, and Safetyman Kent Pearce, 5-10, 187, from Fullerton Junior College, were standouts. However, others like split End Steve Monahan, 6-0, 167; defensive left Tackle Rick Kukulica, 255, from Chabot College; right Guard Myke Horton, 260, from Gavilan College; and Linebacker David Boze', 225, from Victor Valley College, are very strong contenders, along with several other possibilities.

OFFENSE—The Wishbone is still the big Thing at UCLA. It too the Bruins from a 2-7-1 record in 1971 to a fine 8-3-0 season last fall, second place in the Pacific-8 race and runnerup spot in the Rose Bowl race. Greater extension of the passing game and a host of fine runners behind a re-made offensive line will continue to give the Bruins one of the most exciting football teams in the nation.

PASSING—Coach Pepper Rodgers expects much improvement here over the UCLA team completion record of 35 completions out of 82 passes for 653 yards and six touchdowns. Both Harmon (30 for 70 for 574 yards and six touchdowns) and Sciarra, who had a great Spring, are expected to give the Bruins an excellent air arm. Here, again, Coach Rodgers feels that UCLA's familiarity with The Wishbone and its offensive possibilities will help improve the diversity and effectiveness of the Bruin aerial game.

RUNNING—In what is a great four-back running game, UCLA this season has quality ball-carriers and in depth enough to help make the Bruins a national power. The name of right Half Kermit Johnson must come first for his 1972 effort in setting new UCLA single-game records of 183 net yards against Arizona and his season total of 952 yards. His two-year total of 1,366 yards on 220 carries for a 6.2 average and nine touchdowns puts him within reach of Kenny Washington's all-time UCLA mark of 1915 yards. However, James McAlister, who has been switched from left half to fullback, will be ready for a big try at bettering his fine 1972 record of 778 yards in 158 tries for a 4.9 average and nine TD's. And of course Quarterbacks Mark Harmon and John Sciarra add fine running ability not often seen on T-formation teams. Harmon ran for 444 net yards, a 4.5 average and seven scores last Fall while Sciarra went for 130 yards and a 13.0 average, mostly from the split end position. At left half, Junior Russel Charles netted 94 yards for a 9.4 average in showing some outstanding ball-carrying ability. How-

THE 1973 BRUINS

(Continued)

ever, Sophomore Eddie Ayers made a fierce bid for the starting spot with a fine exhibition of blocking and ball-carrying in Spring Practice. His '72 junior varsity record of 409 yards in 46 tries for an 8.9 average and four touchdowns in four games is a good indicator of a bright future for Ayers. Other Bruins who will do plenty of ball-carrying for UCLA in '73 are Fullbacks Charlie Schuhmann (156 for a 7.1 average and two touchdowns) and Kenny Lee and right Half Jimmie Jones (69 yards, 3.6 and one touchdown).

KICKING—Loss of Punter Bruce Barnes is a major one. Both Safetyman Mike Fryer and Quarterback John Sullivan have punting background, but have a lack of consistency and experience needed to approach Barnes' three-year average of 41.8 yards per kick. In the PAT and field goal kicking department, however, Efren Herrera returns for his senior season with a two-year record of 61 out of 63 conversions and 16 out of 36 field goals. He holds both the UCLA season and UCLA conference season records for the greatest number of PAT's, 45 (out of 47) and 32 (out of 34), respectively.

DEFENSE—With nine of 11 top starters returning, one may hastily deduce that the Bruins will be loaded defensively. However, that 1972 team gave up three touchdowns per game, something that Coach Rodgers hopes to remedy. With the obvious experience, the Bruins could improve, starting with the super pair of ends, Fred McNeill and Cal Peterson. However, several changes have been made, notably the move of defensive guard Rick Baska to left linebacker and defensive Tackle Tom Waddell to right linebacker. With these changes, 190-pound Herschel Ramsey switches from linebacking to a safety spot. The insertion of some new junior college transfers also should add effectiveness. These would include Rick Kukulica, 6-4, 255, at left tackle; Pat Sweetland, 6-2, 240, at nose guard; and Kent Pearce, 5-10, 187, at safety, among others. While the line will have excellent size, the backfield, with the experience of glue-fingered Jimmy Allen at right corner, and the return of Alton McSween, from a broken arm, plus the likes of Jim Bright, Mike Fryer and Ramsey, this area no longer looks questionable.

OFFENSIVE LINE—With the loss of four top ends, the Bruins will still have talent, but less experience, in Norm Andersen, JC Transfer Steve Monahan, Gene Bleymaier and Eugene Jones. Three others, Guard Russ Leal, Center Randy Gaschler and Tackle Bruce Walton have departed; but Returnees Ed Kezirian at left tackle and Steve Klosterman at right guard have been bolstered by return of Gene Clark, a 1971 guard letterman, and the move-up of 275-pound right Tackle Al Oliver and addition of JC Transfers like Tackle Bob Reyes, 260, Guard Myke Horton, 260. Other key moves were putting Tackle Art Kuehn and Guard Randy Cross at center to fill the gap left by departure of the vastly under-rated Gaschler.

THE GENERAL OUTLOOK — Coach Rodgers says, "We'll be much more familiar with The Wishbone attack, thus should improve and expand it. Defensively, we were able to fill a lot of inexperienced spots with some new men and some who have improved since last year. Again, we will have a very exciting team that should be right in the thick of the race throughout the season."

THE COLISEUM—HOME OF THE BRUINS, TROJANS AND RAMS

No other stadium in the world or in sports history has the rich football tradition that belongs to the Los Angeles Memorial Coliseum.

Certainly the University of California at Los Angeles, more popularly known as UCLA in all circles, has been no small part of the world-renowned tradition.

The Coliseum, built in 1923 and enlarged for the Olympic Games of 1932, is best known as the world's greatest football stadium.

After the enlargement for the '32 Olympics, the Coliseum held attendances of 100,000 persons and upwards. The largest crowd to ever attend a Coliseum event was the 134,254 for the last night of the 1963 Billy Graham Crusade.

In 1947 an immense gathering of 105,236 was on hand for a college football game — a stadium record, among other things. With the relatively new theatre-type seating the full stadium capacity is 93,791. The "compact stadium" seats up to 80,500.

Although the huge saucer is just at the 50-year mark in age it has kept up with "the Jones," so to speak, with over $7 million worth of improvements in the last 27 years alone and many say it is more modern now than many of the brand new super stadia and looks better than it did upon completion of construction.

Since the Coliseum is the only major stadium in the world with three important tenants (the University of Southern California—USC—and the Los Angeles Rams joining UCLA) it has to be equipped with many services.

The least of these is the brand new $1.6 million scoreboard which was in use for the first time during last football season. The board is equipped with the latest and up-to-date capabilities.

There are 90 entrances equipped with 74 turnstiles for easy access and exit of the facility. A modern press box sits high atop the south rim of the great stadium. It has three levels serviced by a private elevator. The seating capacity is 216 on the first and second levels only.

There is parking for up to 6,000 vehicles in Exposition Park alone and within a 10 square block radius upwards of 30,000 more vehicles can find space.

So Coliseum tradition grows and grows with the UCLA Bruins as an integral part of it!

In His Third Season . . .

PEPPER RODGERS

. . . Westwood Wizard of the Wishbone

PEPPER RODGERS turned it around last season. After a disappointing 2-7-1 record in his first year (1971) at the UCLA football helm, his Bruins came roaring back in 1972 with a rousing 8-3 mark to rank as the country's "most improved team," a nationally-ranked team (No. 15 by AP and No. 17 by UPI) that was in the Rose Bowl race all the way.

Last year, Pepper was the first Pacific-8 Conference coach to switch to the Wishbone-T offense. It not only paid off with a winning season but also resulted in the Bruins running for more yardage than any other Pac-8 or UCLA team in history. The '72 Bruins also were second only to Oklahoma in the nation's ground-gaining department.

WHY PEPPER?

Franklin Cullen Rodgers, Jr., was born Oct. 8, 1931, in Atlanta, Ga. The event coincided with the World Series in which Pepper Martin sparked the St. Louis Cardinals to the championship over the Philadelphia Athletics. One of the new baby's grandfathers was so smitten with the swashbuckling exploits of Martin in the series that he nicknamed his grandson "Pepper" and the name has stuck with Rodgers throughout his life.

Speaking of last year's turnabout by the Bruins, Pepper, perhaps, put it best: "We wanted to re-establish our football program as a winning one—and we did! We wanted to be in a challenging position for the Pac-8 championship and the Rose Bowl bid—and we were! And we wanted to prove to the UCLA family that the Wishbone is one of the most exciting offenses in the country—and it was!"

Coach Rodgers was widely recognized last year for his outstanding job, including being named UPI's West Coast "Coach of the Year."

Pepper's objective is to return UCLA to a lofty place in the football sun, the same position the Bruins were in when he served as backfield coach under Tommy Prothro in 1965 and '66. Those two seasons saw the Bruins post sensational 8-2-1 and 9-1 records, respectively, including 20-16 and 14-7 victories over USC's crosstown Trojans. But, of course, the highlight of Pepper's earlier stay at UCLA came in the Bruins' 1966 Rose Bowl victory over No. 1 ranked Michigan State.

To put it another way, Coach Rodgers' main desire is to return UCLA to the Rose Bowl.

Following his two-year stay at UCLA, Pepper moved into the head coaching ranks by accepting the offer to

take over at Kansas. He made a strong impact at KU during this four-year tenure (1967-70) before returning to UCLA to succeed his close friend and coaching associate, Tommy Prothro.

Rodgers revitalized the Jayhawks' football program and made a far greater impact at KU than his 20-22 won-loss record would seem to indicate. As one Kansas sports editor put it, "Four years with Pepper Ridgers, it was like opening a box of Cracker Jacks every day."

Coach Rodgers and the Jayhawks hit the headlines in his second year at Kansas, the 1968 season in which his team was Big Eight co-champion and wound up with a 9-2 record, including a highly publicized 15-14 loss to Penn State in the '69 Orange Bowl game. It was the first KU team in 60 years to win nine games. The team was pegged No. 6 and No. 7 in two wire service polls and Pepper was runner-up in the national coach of the year voting. He also was the Big Eight coach his first two years (1967-68) at KU and was the runner-up in the 1970 balloting.

He played in five winning bowl games, Orange once and Sugar twice at Georgia Tech and the Penrose twice while in the service. As an assistant coach, he posted a spotless 5-0 bowl record, with Georgia Tech winning in 1955 Cotton, Air Force in 1958 Cotton, Florida in 1961 Gator and 1963 Gator and UCLA in 1966 Rose.

In other words his overall bowl record is a mighty impressive 10 wins and one loss, a record that probably can't be equalled by any other player/coach.

Pepper's record as a coach of all-star post-season games is a solid 3-1, including his only loss last season when he and Arkansas' Frank Broyles coached the losing North team in the Shrine game at Miami, Fla. The previous season, in the American Bowl at Tampa, Fla., he coached the North team to victory. While at Kansas, both in 1969, he was on the victorious coaching side in the American Bowl and the Coaches' All-America game in Atlanta, Ga.

But now let's go back and trace coach Rodgers' colorful career from his birth in Atlanta, Ga., to UCLA.

He was born in Atlanta, Ga., 41 years ago on Oct. 8, 1931. He graduated from Brown High School in Atlanta in 1950 following a gaudy prep career in which he earned All-State honors in football, basketball and baseball.

He remained in his hometown to go to Georgia Tech and played quarterback on three (1951-52-53) of coach Bobby Dodd's greatest Yellow Jacket teams. Those teams compiled a 30-2-1 record, including 11-0 seasons Pepper's sophomore and junior years. Tech finally lost to No. 1 ranked Notre Dame during his senior year, ending a 32-game winning streak.

Pepper played in a major bowl all three years and was instrumental in helping Tech win them all. As a sophomore he kicked the winning field goal as the Jackets nicked Baylor, 17-14, in the Orange Bowl. The next year when the Ramblin' Wreck beat Mississippi, 24-7, in the Sugar Bowl Rodgers booted a field goal,

three extra points and threw a touchdown pass. He capped his career by receiving the "Outstanding Player Award" at the 1954 Sugar Bowl after kicking four extra points and a field goal and passing for three TD's in a 42-19 rout of West Virginia.

It is no wonder that Pepper has been honored by election to the Georgia Tech Athletic Hall of Fame and also was picked in 1971 on the Bobby Dodd Era Georgia Tech All-Star football team as its field goal specialist.

Following graduation, Pepper remained on campus to complete work on his degree in Industrial Management and during the 1954 season served as an assistant on Dodd's staff.

In the spring of 1955 Rodgers took a backfield coaching job at Virginia but was there only during spring practice. He gave up coaching temporarily to be commissioned a second lieutenant in the Air Force in June, 1955.

While in the Air Force he doubled up as a player-coach for the Hamilton (Calif.) Air Base football

team in 1956 and '57. Here again he was associated with winning teams, 9-1 in 1956 and 11-1 in 1957 and were victors both years in the Penrose Bowl games in Colorado Springs, Colo. Incidentally, his Hamilton teammates included such former UCLA stars as Terry Debay, Charley Doud, Bob Heydenfeldt and Ron Bane, a basketballer turned footballer.

While still in the service Pepper was assigned to Ben Martin's Air Force Academy staff in 1958 and '59. He was separated from the Air Force in 1960 with a captain's commission in the reserves.

Following his five-year stint in the Air Force, Pepper resumed civilian life as an assistant coach, first at Florida and then UCLA, before joining the head coaching ranks on Dec. 16, 1966 when he was signed by Kansas.

UCLA then beckoned the personable Pepper early in 1971 to succeed Tommy Prothro as the Bruins' 11th head coach in history.

Incidentally, during his tenure as a coach Pepper has been instrumental in developing six All-America backs: Rick Mayo, Air Force; Steve Spurrier and Larry DuPree, Florida; Gary Beban and Mel Farr, UCLA; and Bobby Douglas, Kansas. Spurrier and Beban, of course, also were the 1966 and '67 Heisman Trophy winners, respectively. And now he currently has three backs who are capable of joining this elite group, running backs Kermit Johnson and James McAlister and Wishbone quarterback Mark Harmon.

Pepper has been happily married since his junior year (1952) in Georgia Tech to his high school sweetheart, the former Judy Ragsdale, who was a cheerleader at Brown High during his playing days there. They have four children, Ricky, 20; Teri, 19; Kyle, 16, and Kelly, 10. The Rodgers family lives in Westlake Village in San Fernando Valley.

HOMER SMITH
(Princeton '54)
Assistant Head Coach

Homer Smith has succeeded Doug Weaver (now the athletic director at Southern Illinois University) as UCLA's assistant head coach. In his first season at UCLA last year, Homer did an outstanding job as the offensive coordinator in installing the Wishbone-T offense.

He'll again have the same coaching duties, including tutoring the quarterbacks, fullbacks and wide receivers, and also has added administrative duties as the assistant headman.

He came to UCLA with fine coaching credentials, including seven years as a headman, the last two (1970-71) at University of the Pacific and the previous five (1965-69) at Davidson College. At the latter Southern Conference school in North Carolina, he was named the 1969 Regional Major College "Coach of the Year" and his team played in the Tangerine Bowl in Orlando, Fla., to cap the '69 season.

He also has had seven valuable years of experience as an assistant coach at two major schools, three years (1958-60) as the head frosh mentor under Jack Curtice at Stanford and four years (1961-64) as the backfield coach under Ben Martin at the Air Force Academy.

Incidentally, two of his fellow Bruin assistants, Ken Blair and Dick Tomey, were on his Davidson staff.

As an undergraduate at Princeton, Smith starred in football (fullback) and track (long jump and low hurdles) for the Tigers. He was an All-East and All-Ivy League grid selection in both his junior (1952) and senior (1953) seasons. As a soph in 1951, he was a starter on defense and played about one-third of the time offensively on the Princeton team led by Heisman Trophy winner Dick Kazmaier.

In 1952, he set a new Ivy League and Princeton one-game rushing record by gaining 273 yards on 26 carries for a 10.5 average and 4 touchdowns. It still stands as a school mark but was broken in '71 by Cornell's Ed Marinaro as a league standard. He also was an outstanding punter, setting a school record in 1953 by averaging 40.5 yards per kick and, incidentally, it still stands.

He graduated from Princeton in 1954 with honors in Economics.

Smith prepped at the Lawrenceville School in Lawrence, N.J., before entering Princeton as a freshman in 1950. Previously, he attended Benson Hi in Omaha, Neb., where he starred in football, basketball and track. He was an All-City halfback.

Smith, 42, is married to the former Kathryn Haskell and they have two teen-age daughters, Kimberly, 17, and Carolyn, 14. They live in Pacific Palisades. (Smith was born Oct. 9, 1931.)

KEN BLAIR
(Colorado '63)
Assistant Varsity Coach

Ken Blair is in his third season on the UCLA staff after serving five years (1966-70) as an assistant coach at University of Colorado, his alma mater. He coaches the Bruins' defensive linebackers and also the specialty teams.

Prior to returning to Colorado, he coached one year (1965) at Davidson College under Homer Smith, now his coaching associate at UCLA, following two years (1963-64) as a graduate assistant at his alma mater.

Ken was a regular in his last two seasons (1961-62) at Colorado, serving as captain and winning All-Big Eight honors as a senior. As a junior, he starred on the Buffaloes' 1961 Big Eight championship team. A versatile gridder, he was a pass receiver on offense and an end, linebacker or cornerman on defense.

He prepped at Roswell, New Mexico, High where he lettered in football, basketball and track.

He's married to the former Mary Sue Cisco and they have two sons, Michael, 9, and Mitchell, 7. They live in Thousand Oaks in Conejo Valley. (Blair was born June 10, 1941.)

JIM CRINER
(Cal Poly Pomona '62)
Assistant Varsity Coach

Jim Criner, the new coach of UCLA's offensive tackles and tight ends, joined Pepper Rodgers' staff last February with fine coaching credentials.

He has served at four universities the past six years, at BYU last season as defensive coordinator, California for two seasons (1970-71) as a defensive backfield mentor, Cal State Hayward in 1969 as defensive coordinator and at Utah for two seasons (1967-68) as an offensive line coach.

Prior to that he was a head prep coach for five years, posting an impressive won-loss record of 46-13-2 over that period.

Among the top players he coached at Utah who went on to pro careers are Manny Fernandez, Bob Trumpy, Jack Gerke and Charlie Smith and Sherman White at Cal. Also at Cal he tutored such "All" performers as Clarence Duren and Ray Youngblood.

Criner starred in both football and baseball at Cal Poly Pomona. In fact he was an All-America linebacker there in 1961 and also played fullback. A fine student,

he was a double major in Biology and Physical Education.

Jim was a four-sport athlete at Coachella (Calif.) High, lettering in football, baseball, basketball and track.

Incidentally, Criner has three brothers who also are coaches, Walt and Bob at Coachella High and Herb at Mt. Diablo High and two sisters, Nadene and Betty, who were recreation majors.

He's married to the former Ann Marie Shmorhun and they have two children, Mark, 6, and Kelli, 3. They live in Agoura in Conejo Valley. (Criner was born March 31, 1940.)

TERRY DONAHUE
(UCLA '67)
Assistant Varsity Coach

Former UCLA football star, Terry Donahue, is now in his seventh season under Pepper Rodgers, four at Kansas (1967-70) and now three at his alma mater. He's the coach of the Bruins' offensive guards and centers.

Terry starred as a quick, agile defensive tackle at 197 pounds for the 1965-66 Bruins, the same teams on which Rodgers served as the backfield coach before being signed by the Jayhawks. He was a starter on the Bruins' 1966 Rose Bowl team which upset No. 1 ranked Michigan State, 14-12.

In his first year (1967) out of UCLA, Donahue helped coach the Kansas frosh team and then was elevated by coach Rodgers to the varsity staff in 1968. He coached the Jayhawk defensive line at age 23 and was one of the youngest major college assistant coaches in the country at that time.

After starring in football (linebacker) at Notre Dame High in Sherman Oaks, Calif., he played frosh football at San Jose (Calif.) State in 1962. He entered UCLA in 1964 from Valley JC in San Fernando Valley where he hadn't played football. He was on the Bruins' non-playing varsity squad his first year but then became a UCLA standout the next two seasons on teams which posted impressive 8-2-1 and 9-1 records.

Terry is married to the former Andrea Sogas of Prairie Village, Kans. They are the proud parents of a daughter, Nicole Denise, 2. They live in Westlake Village. (Donahue was born June 24, 1944.)

JERRY LONG
(Oregon State '50)
Assistant Varsity Coach

Jerry Long is now in his ninth year as an assistant coach at UCLA, six (1965-70) under Tommy Prothro and now in his third under Pepper Rodgers. He has performed his duties as the defensive line coach with both marked ability and great enthusiasm.

Long was an assistant coach under Prothro for four years (1961-64) at Oregon State prior to coming to UCLA with Tommy.

In all, Jerry is in his 24th year of coaching football. Prior to returning to Oregon State, his alma mater, in 1961, he served as the top aide and line coach at Willamette University in Salem, Ore., for six years (1955-60). Following graduation from OSU in 1950, Jerry began his coaching career with five years in Oregon high school ranks, Brownsville in 1950, Astoria in '51, Rainier in '52 and '53 and Tigard in '54.

Long entered Oregon State in 1946 and lettered three years as a guard. He prepped at Franklin High in Portland, Ore., his birthplace, where he starred in football and baseball, winning All-City grid honors.

He is married to the former Dorothy Jean Larson and they have three children, Karen, 17, and twins Randall and Diane, 15. They live in Northridge in San Fernando Valley. (Long was born July 29, 1929.)

BILLIE MATTHEWS
(Southern University '52)
Assistant Varsity Coach

This is Billie Matthews' fourth year on Pepper Rodgers' coaching staff, one (1970) at Kansas and now in his third at UCLA. He's the coach of the Bruins' offensive halfbacks for the second season.

He went to Kansas following an outstanding 12-year (1958-69) coaching career at Kashmere High in Houston, Tex., where his team won Texas Regional football titles twice (1968 and '69) and were the City champions four times (1961-64-68-69).

A star quarterback at Southern University in Baton Rouge, La., he led his team to an 11-0 record and the National Black Championship as a freshman in 1948. During his four years, Southern compiled an amazing 37-4 grid record. He then returned to his native Houston to begin his coaching career at Kashmere High.

Billie prepped at Phillis Wheatley High in Houston where he lettered in football and basketball. He won All-State honors at quarterback.

He and his wife, the former Gene Woods, have four children, Jacqueline, 25, Kenneth, 23, Kennette, 21, and

Karen, 10. Ken Adams, Billie's stepson, was a split end for three years (1969-70-71) at California. They live in Canoga Park in San Fernando Valley. (Matthews was born Mar. 15, 1930.)

CARL PETERSON
(UCLA '66)
Assistant Varsity Coach

Carl Peterson, head coach at Cal State College at Sonoma for three years (1969-71), joined the UCLA staff last February. He'll serve as the Bruins' varsity pass receiving coach and also as the coordinator of the Bruins' Junior Varsity football program.

He has a fine background for coaching at UCLA where he graduated in 1955 and also got his doctorate in Administration in Higher Education in 1970. Prior to going to Sonoma, he was an assistant coach at Los Angeles' Loyola High for two years (1967-68) and Long Beach's Wilson High for a season (1966). The 1967 Loyola team was the Catholic League champion and CIF semi-finalist; the 1966 Wilson team, the Moore League titlist and CIF quarter-finalist.

Among the prep athletes he coached at Wilson High were such top starts as Dennis Dummit, UCLA quarterback; Sid Smith, USC tackle, and Bob Grich, now playing second base for Baltimore Orioles. (Grich graduated from UCLA in 1969.)

Carl played two years (1963-64) at the U.S. Military Academy at West Point before transferring to UCLA where his football career was cut short by knee surgery. He was an offensive split end.

Carl was a three-sport athlete at Long Beach Wilson High, competing in football, baseball and basketball.

LYNN STILES
(Utah '63)
Assistant Varsity Coach

Lynn Stiles is now the defensive coordinator and coach of the outside linebackers in his third year on the UCLA staff. He joined Pepper Rodgers in 1971 after serving eight years as an assistant coach. first at Utah for three seasons (1963-65) and then at Iowa for five seasons (1966-70).

Incidentally, he assisted former UCLA star Ray Nagel (now athletic director at Washington State) at both Utah and Iowa.

(Continued)

After starting at guard, center and linebacker at Utah (1959-62) under Nagel, winning All-Western Athletic Conference honors at guard as a senior, he was named to the coaching staff of his alma mater where he served for three years (1963-65) before moving to Iowa with Nagel. He served on the Hawkeye staff for five years as the defensive line coach.

A fine student majoring in the combined major of Physical Education and Health & Recreation, he was on the conference's all-academic team in 1961 and '62.

Lynn prepped at Reno, Nev., High where he starred in football, basketball and track, winning All-State grid honors two years as a guard and linebacker.

He's married to the former Marigene Stephens and they have two children, a daughter, Staci Lee, 7, and a son, Shon Lynn, 3½. They live in Woodland Hills in San Fernando Valley. (Stiles was born Apr. 12, 1941.)

DICK TOMEY
(DePauw '60)
Assistant Varsity Coach

This will be Dick Tomey's seventh year as a member of Pepper Rodgers' coaching staff, four at Kansas and now three at UCLA. In other words, he's the only remaining member of coach Rodgers' original KU varsity staff.

In his tenure with coach Rodgers, Dick has coached the freshman, pass receivers, offensive backs and is presently the defensive backfield coach, a position he also coached his last year at Kansas. In addition, he's the coordinator of UCLA's football recruiting program.

Prior to going to Kansas, he was an assistant coach at Miami of Ohio for two years under two top coaches, John Pont (now at Indiana) in 1962 and Bo Schembechler (now of Michigan) in 1963; at Northern Illinois in 1964; and at Davidson in 1965 and 1966 under Homer Smith, now a coaching associate at UCLA.

Two of the outstanding backs he's coached have been Kansas' John Riggins in 1967 and Davidson quarterback Jim Poole in 1965, the Southern Conference "Player of the Year."

He played guard for three years (1956-60) at DePauw University. He starred in baseball, winning all-conference honors as a catcher. He prepped at Elston High in Michigan City, Ind., where he lettered in football, baseball and participated in basketball.

He's married to the former Mary Lewis and they have a son, Richie, 3½. They live in Pacific Palisades. (Tomey was born June 20, 1938.)

Widest Margin of Victory for UCLA: 18 points (18-0 in 1946)

GAME NO. 1

Nebraska, under new coach Tom Osborne, expects to once again field a fine, competitive football team that will be capable of battling for Big Eight and national honors, a team that will certainly be aroused to try and square matters with the Bruins in the nationally-televised opener in Lincoln.

Some 40 lettermen return, including five starters and nine alternates from the offensive unit that engineered the 40-6 Orange Bowl victory over Notre Dame, plus four starters and eight alternates from the defensive unit. Ace place-kicker Rich Sanger also returns, along with 26 other Orange Bowl squadmen.

Key losses are Heisman winner Johnny Rodgers, Lombardi and Outland winner Rich Glover and two-time All American Willie Harper, along with seven other Husker seniors who were drafted by NFL teams.

Nebraska returns five starters on offense: record-breaking quarterback Dave Humm, All-America tackle Daryl White, Soph All America tackle Marvin Crenshaw, guard Bob Wolfe (and guard Dan Anderson who started the last four games after Wolfe injured a knee) and split end Bob Revelle. Also, sophomore I-backs Tony Davis and John O'Leary had good springs and look to give the Huskers the running attack they lacked last year. Sanger, who holds the NCAA record for PAT kicks (60) and led the Big Eight in punting last year (40.1), is also back.

Defense is a Nebraska by-word, the proud Black Shirt tradition. The 1973 edition will be considerably revamped after being hit hard by graduation, but there's excellent potential once again.

Gone is the great middle guard Rich Glover, All-America defensive end Willie Harper and All-Big Eight cornerback Joe Blahak, plus three-year starters like Bill Janssen, Jim Branch, Johnny Pitts and Dave Mason, but returning experience is outstanding: All-America tackle candidate John Dutton, the 6-7, 250-pound mobile terror, outstanding defensive end Steve Manstedt and backfield starters Randy Borg and Bob Thornton. Alternate linebackers Bob Nelson (6-5, 230) and Tom Rudd (6-3, 212) move to the starting lineup this year to give the Huskers two of the finest.

Sports Information Director: George Wine
1972 Football Record: Won 3, Lost 7, Tied 1
Returning Lettermen: 43
UCLA All-Time Record against Iowa: W-4, L-0, T-0
Widest Margin of Victory for UCLA: 24 points (27-3 in 1938)

GAME NO. 2

Things are looking up at Iowa, where coach Frank Lauterbur begins his third season. Lauterbur, who started Toledo on its long winning streak, took over a sinking program at UI in 1971 and won only one game. The Hawkeyes finished 3-7-1 in 1972 and for the most part, played solid, competitive football. Three of their losses were by a total of 14 points, including a last-minute 14-10 defeat at Penn State.

Lauterbur will have a whopping 43 lettermen, including 29 who have started at least one game. One reason Iowa returns so many veterans is that Frank played freshmen in large numbers last fall. A total of 15 frosh earned letters and 10 started at one time or another.

The '73 Hawkeyes will be young. Only 11 senior lettermen are on the roster.

Iowa's defense made some big strides last year but the offense continued to have problems. Final Big Ten statistics show the Hawkeyes ranked sixth in total defense and last in total offense. Iowa's pass defense was ranked No. 6 nationally. The Hawkeyes should have an excellent defensive team in 1973. If they can generate a consistent offense, Lauterbur's third team at Iowa will be a good one.

All good attacks start at quarterback and Iowa has three veterans: soph Butch Caldwell, who started the final four games of '72 as a frosh; junior Bob Ousley, who started three games and ranked No. 8 in Big Ten passing; and senior Kyle Skogman, who started the first four games. Sophomore Doug Nessen also figures to be a strong candidate.

A total of 19 players carried the ball from scrimmage last fall and 16 return. One of the best is Royce Mix, 206, who had the Big Ten's longest run of 1972, a 92-yd. TD sprint against Illinois.

A veteran secondary should be the strength of the defense. It includes free safety Rick Penney, 174, and cornerback Earl Douthitt, 176, both of whom won All-Big Ten second team honors. Linebacker Andre Jackson, 206, was the Big Ten's leading tackler in his frosh year. A walk-on, he made Football News' All-America rookie team and the All-Big Ten second team.

Widest Margin of Victory for MSU: 10 Points (13-3 in 1965)

GAME NO. 3

"I think that we are going to have a sound football team in 1973," says new Michigan State football coach Denny Stolz. "I feel that Michigan State will be a contender in the Big Ten this year and every year. We have had some severe losses through graduation and injuries and so forth, but we have some excellent players returning around whom we will build our program."

Some 29 lettermen are expected back from the 1972 team which finished 4th in the Big Ten with a 5-2-1 mark and 5-5-1 overall.

The strong points for 1973 are the offensive and defensive backfields, linebacking, and the kicking game. The top five rushers from 1972, headed by junior tailback David Brown (5-11, 193), return. Only VanPelt is missing from the defensive secondary array, with cornerbacks Bill Simpson (6-1, 180), and Mark Niesen (5-11, 182), and strong safety Paul Hayner (6-0, 187) proven veterans on hand. Emerging in spring drills as No. 1 quarterback was Charlie Baggett (6-0, 187), who'll be a junior, who transferred to State from North Carolina. His fine running, passing and all-round leadership abilities enabled Stolz to move Niesen back to defense. The latter, originally a defensive player, handled quarterback chores effectively the last half of 1972.

Simpson was the Big Ten's co-leader in punting last year and in Dirk Krijt (6-3, 180) State has a strong placekicker. Veterans Ray Nester (6-1, 223) and Terry McClowry (6-2, 220) give the club a potent pair of linebackers.

The problem areas worked on in the spring were the rebuilding of offensive and defensive lines. Results were encouraging but they remain the main worries for Stolz going into the fall.

On offense, only split end Mike Jones (6-0, 188) who got the starting call most of the time last fall, is back. Defensively, only right tackle John Shinsky (6-4, 233), will be in harness again.

1972 Football Record: Won 6, Lost 5
Returning Lettermen: 36
UCLA All-Time Record against Utah: W-5,L-0, T-0
Widest Margin of Victory for UCLA: 21 points (21-0 in 1933)

GAME NO. 4

Experience is the key word for 1973 Utah football team. With 36 returning lettermen back, coach Bill Meek has a solid foundation to build on. The Utes should be especially strong in the so-called "skill" positions where starters return at every spot.

Leading the way is All-America quarterback candidate Don Van Galder. He rewrote all the Utah passing and total offense records last season and was named to three all-conference teams. In addition, he was named the WAC's "Most Valuable Player" by UPI. He passed for 1,425 yards and 15 touchdowns.

Joining Van Galder in the backfield are returning starter Steve Marlowe at fullback and letterman Ike Spencer at running back. With more chances to carry the ball this season, Marlowe should develop into an outstanding runner, while Spencer, who started several games, is a genuine breakaway threat with all the moves and good speed.

The Ute receiving corps is led by flanker Steve Odom. One of the nation's premier kick return specialists, Odom also is an excellent pass receiver. He led the team last year with 30 catches for a 22.1-yd. average and 11 TD's. He has 9.4 speed and links up with Van Galder's arm for a deadly long bomb combination. Joining Odom is split end Lance Robbins, a very reliable receiver, and tight end Willie Armstead, who figures to be one of WAC's best at his position.

The offensive line is experienced and is led by guard Bill Powers (6-2, 230) and center Chuck Johanson (6-2, 230).

The defensive line is held together by two solid pro prospects in tackles Gary Keller (6-6, 240) and Ron Rydalch (6-4, 245). Ev Custer is back at middle guard, but the loss of two starters at defensive end leaves some question marks there. The linebacking corps is young, as is the secondary, but both should be improved over last year.

Dan Marrelli leads the Ute kicking game. He averaged over 43 yards a punt last season and should be among the nation's top punters this fall.

Widest Margin of Victory for UCLA: 72 Points (72-0 in 1954)
Widest Margin of Victory for Stanford: 82 Points (82-0 in 1925)

GAME NO. 5

Stanford, after 9-3 season records and Rose Bowl victories in 1970 and '71, dropped to a 6-5 mark last year and a 2-5 record in the Pac-8 to tie for 6th. With a pre-season All-America selection at quarterback, the promise of a stingy defense and the hope of an improved running game, the Cards should be improved in 1973.

Quarterback Mike Boryla, 4th among the nation's passing leaders a year ago, has watched while the three on top of him have graduated, so that he is now the leading passer in college football going into the '73 campaign. (He hit on 52.3% of his passes, 183 of 350 for 2,284 yards and 14 TD's.)

One serious area of concern centers on the fact that five of Stanford's six leading receivers from '72 have graduated, representing a void of 141 catches and 2,087 yards from the previous year. Sixteen different receivers hauled in passes in Stanford's two intra-squad games last spring, and, hopefully, a nucleous can be drawn from that group.

The emergence of Scott Laidlaw and Doug Jena in the ball-carrying department a year ago, plus the arrival of "redshirt" Sig Ostrom, could also free the fleet John Winesberry for more responsibilities on the business end of the Boryla passing game.

On the subject of offense, Stanford will continue to have an edge in those close contests that just might be decided by a long field goal. Diminutive Rod Garcia, the last-second hero of Stanford's Rose Bowl victory over Michigan, is only 14 boots away from the all-time NCAA career field goal record.

The Stanford defense, ranked 3rd in the Pac-8 a year ago, is likely to show 11 starting lettermen, backed up by a pleasant combination of veterans and talented newcomers. Keyed by the swift Randy Poltl at strong safety and massive Roger Stillwell (6-6½, 255) at end, the Card defensive unit offers the hope of playing back to the Rose Bowl stalwarts of two and three years ago.

Widest Margin of Victory for WSU: 38 Points (38-0 in 1928)

GAME NO. 6

Jim Sweeney expects to have his best team in his six seasons at Washington State University, but he knows he faces his toughest schedule.

The personable Sweeney returns 39 lettermen including six offensive starters and seven from the defense. If you count players who started only one game, the total goes even higher.

Ken Grandberry, who only needs 321 yards to become the Cougars' all-time rusher, returns at tailback, and Andrew Jones, an almost certain all-star candidate, will replace Steve Hamilton at fullback.

The quarterback position, a question mark when spring practice opened, shows excellent depth with lettermen Chuck Peck, transfer Mike Mitchell and freshmen Brad Wagner and Wally Bennett.

The line, inexperienced last year, returns almost intact with center Geoff Reece, all-conference guard Steve Ostermann, and tackles Mike Hill and Tom Wickert all returning starters and lettermen tight end Tim Krause, who started some games last year.

Hill, a guard last year, was moved to tackle in the spring to replace Bill Moos, with transfer redshirt Bob Drinkwalter and redshirt sophomore John Salter ticketed to replace Hill at guard.

Greg Johnson and Fritz Brayton return as the wide receivers with sophomores Rick Riegle and Mark Maenhout in reserve, after having excellent springs.

The defense only needed rebuilding on its front four as starters return at nearly every other position. Tom Poe, Clyde Warehime, Gary Larsen and Steve Roberts give the Cougars excellent linebacking and cornerback Robin Sinclair and safeties Mike Carter and Eric Johnson fill three of the four secondary positions. Fran Kachaturian, Basil Kimbrew and Tony Cook were in contention for the other cornerback spot, which won't be decided until fall.

Tackle Greg Craighead, a two-year starter and considered one of the best pass rushers in the conference, anchors the line.

Widest Margin of Victory for California: 35 Points (35-0 in 1950)

GAME NO. 7

Quarteback Vince Ferragamo of California ended the spring as he had ended last fall. Winning! Now ready to enter his sophomore season, the 6-3, 205-pounder won two of his three starts as an 18-yr.-old frashman QB in 1972, and added an impressive 48-20 victory in the spring game.

The Bears will continue to pass, that is obvious as Ferragamo threw for 280 yards in the spring game and his fellow sophomore rival, Phil Brus, topped that by 10 yards.

What coach Mike White wants, however, is a safer passing attack in 1973. Last season Cal throwers set season records for passing yards and touchdowns—and for interceptions.

A step in the right direction will be stabilization at QB. While Steve Sweeney, Cal's all-time receiving leader, is graduated, the "Banning Connection" will be rejoined.

The Banning High combination of Ferragamo to (Steve) Rivera dominated Los Angeles City football, rewrote the California Shrine All-Star game record book, and showed little loss of efficiency at the collegiate level when Rivera hooked onto eight Ferragamo passes for 145 yards in the spring game.

Rivera (6-0, 180) caught 44 passes in junior varsity football last fall while Ferragamo was working his way into the varsity starting lineup.

A host of experienced receivers return, including ex-running back Fred Leathers (29 catches for 429 yards in 1972) now at flanker. Dave Bateman (23 catches), Mike Shaughnessy (20 catches) and Sammy Burns (5 catches for 164 yards) are other returning receiving lettermen.

Sylvester Youngblood's four-TD, 178-yd. rushing in the spring game gave support to the switch of Leathers from running back to receiver. Coming in to challenge the senior Youngblood, however, is 210-lb. Chuck Muncie, a quick and strong sophomore transfer who gave signs late in spring of being a potential star.

Widest Margin of Victory for Washington: 41 Points (41-0 in 1940 and 61-20 in 1970)

GAME NO. 8

When a team loses 30 lettermen, several of whom were two-year lettermen and 17 of whom were starters during the 1972 season, it must be assumed there will be some rebuilding going on. Such is the case with Washington this year.

The Huskies' coaching staff does have a strong nucleus of players to work with, including 22 returning lettermen. But several of those lettermen barely played enough to earn their letters, so it isn't fair to say they are experienced.

Though five starting offensive linemen, including the tight end, are gone, this is not a problem area. Pete Elswick started all last year at guard, and Rick Hayes (a starter in both 1970 and '71) was a tackle until an injury in the first game put him out for the season. Jim Andrilenas was the No. 1 center in 1971, but missed the first three games last year with an injury. Tom Roehl started a couple of games last year at tight end, but spent most of his time on the second unit. And though these people are all two-year lettermen, none can be certain of his job.

So it also goes in the backfield and at the wide receiver spots. The QB job is developing into a real "dog-fight" between sophs Jim Anderson and Chris Rowland, junior Denny Fitzpatrick and walk-on junior Terry Wick. It remains to be seen who'll take over for the great Sonny Sixkiller and a most talented backup QB, Greg Collins, both of whom have graduated.

Last year's season-ending starters at running back, Pete Taggares and Glen Bonner, have to be given an edge, but no less than seven other backs were pushing them in spring practice. There is lots of talent but little experience at the pass receiving spots.

Defensively, the Huskies should have a fine linebacking corps; actually, the entire defense has great potential. Senior Washington Keenan looked much improved at weakside LB last spring.

The line could be very strong. Senior Joe Tabor started a couple of games at end last year, and will be one of the best on the Coast, as should junior Dave Pear at tackle. The secondary is very inexperienced with only three lettermen on hand.

Widest Margin of Victory for UCLA: 45 points (65-20 in 1972)
Widest Margin of Victory for Oregon: 27 Points (27-0 in 1929)

GAME NO. 9

Oregon will return 38 lettermen, including eight offensive starters and eight defensive starters from last year's club which poster a 4-7-0 record. The Ducks expect to be an improved football team in 1973, but despite the large number of returning lettermen, Oregon will still basically be a young team again.

The Ducks won three out of the last five games of the season last year, finishing with 27-2 and 30-3 wins over San Jose State and Oregon State.

Coach Dick Enright feels Oregon's defensive unit, which came on strong at the end of last year, will be the backbone of the Webfoot squad. Oregon must replace two starters in the secondary and one defensive end. Other than that, Oregon's defensive unit returns intact. The Ducks have a pair of outstanding defensive ends in Keith Davis and George Martin and two very talented athletes in tackle Reggie Lewis and linebacker Bobby Green, both starters as freshmen last year, to lead the defensive attack.

On offense, Oregon must replace departed Dan Fouts at quarterback, who broke a total of 19 Duck school records and wound up 7th on the all-time NCAA passing list. Norval Turner, Fouts' understudy, will be the Oregon quarterback this fall and on his shoulders could hinge much Webfoot success in 1973.

Enright feels the Ducks will be a more consistent offensive club this year, whereas a year ago Oregon had to depend on the big play. The Ducks will operate out of the I formation this year with tailback Don Reynolds, who averaged 8.09 yards per carry as a sophomore last year, leading the way.

Oregon has good depth in the running back spots and this year will have a large experienced line, although the depth factor could be a problem on the offensive line. Oregon has two outstanding players on the offensive line in guard LeFrancis Arnold (6-4, 236) and tight end Russ Francis (6-6, 233).

All in all, Oregon has more experience than a year ago, although the majority of the Webfoot lettermen were freshmen and sophomores a year ago. Oregon's kicking game figures to be improved in 1973 and the defense improved.

GAME NO. 10

If results of spring practice are any indication, Oregon State will field a much better football team than the one that represented the university last fall.

Coach Dee Andros, whose famed Power-T formation brought a lot of victories through the years, changed systems completely last spring. He went to a wild-passing, pro-type I formation, brought in 13 junior college transfers and inspired hopes for a successful season ahead.

One of the transfers was quarterback Alvin White, from Orange Coast JC in Costa Mesa, Cal. White more than lived up to his JC reputation in spring drills. He can throw the ball long or short, and is extremely accurate. At 6-3 and 220, he's also tough to sack.

Good as White is, he'll have a battle for the starting QB job. Steve Gervais, who as a freshman last fall, ultimately wound up as starter, looked better than ever in the spring — particularly in his passing. He's a scrambler, too, and a good one.

Andros lost heavily through graduation, mainly on defense. But he's getting a lot of help there from the JC transfers. Playing either first or second team on defense at the end of spring drills were transfers Kirk Byers, Dennis Downey, Ron Bradford, Mike McKinney and Mike Taylor.

Offensive backfield speed will be supplied by Ray Taroli, Wilson Morris, Elvin Momon and Grant Boustead, and Andros has three fine fullbacks in Dick Maurer, Percy Grogans and Mike Ritchie. The receivers seem much better than in 1972, also, led by transfer Bob Martin, Ron Stewart, Dan Ellis and all three fullbacks.

"The Great Pumpkin" has experienced only two losing seasons in eight years as Oregon State's coach. One of them was in 1971, the other last year. Dee isn't accustomed to losing, and never has been.

It's a good bet that the Beavers will be much improved and highly entertaining to watch.

GAME NO. 11

What do you do for an encore when your team has just won the national football championship with 12 straight victories including a convincing, 42-17, win in the Rose Bowl? If you are John McKay at USC you believe your team can improve.

"Our feeling is that we have a lot of young people who played for us as sophomore and juniors last year who should improve. As far as people returning who have played, we are much better at this time than we were a year ago."

"Our biggest problem offensively will be replacing tight end Charles Young and fullback Sam Cunningham," McKay said. But the Trojans remain mighty potent at the important quarterback and tailback spots. Pat Haden, who completed 34 of 72 passes for 468 yards and seven TD's while backing up senior Mike Rae last year, is expected to be a super QB this fall.

At tailback, the Trojans are loaded with three top performers in sensational Anthony Davis, Rod McNeill and Allen Carter. A mere glance at Davis' 1972 statistics is frightening: carried 207 times for 1,191 yards, scored 17 TD's, caught 18 passes, returned 12 kickoffs for a 39-yd. average, returned 7 punts and kicked off 81 times. And this fall he'll add place kicking chores.

Two other standouts on offense are flanker Lynn Swann and split end J. K. McKay, the coach's son. Swann, who McKay said was "as valuable to us as Johnny Rodgers was to Nebraska," returns at flanker where he caught 27 passes and also finished 6th in the nation in returning punts with 19 returns for 253 yards. McKay caught 26 passes for 342 yards and four TD's as the back-up split end behind senior Edesel Garrison.

Defensively, coach McKay may have some problems in the secondary and at tackle, but at the key linebacking positions he never had it so good, with the return of the sensational Richard Wood (who earned All-America honors as a sophomore last year) and Charles Anthony (a two-year starter) inside and Dale Mitchell and James Sims outside.

PAC-8 SHOOTING FOR FIFTH STRAIGHT ROSE BOWL VICTORY

Five in a row . . . that's what the Pacific-8 Conference will be looking for when its championship team faces the Big Ten Conference titlist in the Rose Bowl on Tuesday, Jan. 1, 1974, in the 60th renewal of this granddaddy of all post-season football games.

However, the Big Ten still holds a 17-10 series lead over the Pac-8 in this Rose Bowl pact which started in 1947 between these powerful conferences.

The Big Tenners won the first six games of the pact (1947-52) before USC edged Wisconsin, 7-0, in 1953. Then the Big Ten won six more in a row (1954-59) before Washington won back-to-back Pasadena classics to start The Sixties which was to see the two leagues split 10 games. The Pac-8 reps won in 1960-61-63-66-68 and the Big Ten teams in 1962-64-65-67-69.

But now the Pac-8 has won the last four RB renewals to open The Seventies (1970-71-72-73) and hopes to make it five straight 1/1/74.

As for UCLA, it last appeared in the Rose Bowl on Jan. 1, 1966 when the Bruins won a 14-12 thriller over Michigan State in Tommy Prothro's first year at the Westwood helm. His talented backfield mentor that day was Pepper Rodgers.

UCLA has played in six Rose Bowl games but has won only once, the 1966 upset victory over the country's No. 1 ranked team. But the Bruins lost two mighty close ones, in 1954 they led 14-0 only to lose 28-21 and in 1956 a field goal with only seven seconds to play beat them 17-14.

Here are the quarter-by-quarter scores of UCLA's Rose Bowl games:

JANUARY 1, 1943

GEORGIA	0	0	0	9	— 9
UCLA	0	0	0	0	— 0

BRUINS CAN BOAST OF 22 FIRST TEAM ALL-AMERICANS

The greatest honor that can come to a football player is to be voted to a bonafide All-America first team.

Here is UCLA's list of 22 such All-Americans down through the years, headed by quarterback Gary Beban who also won the coveted 1967 Heisman Trophy awarded annually to the "Outstanding Collegiate Football Player in the United States."

The Bruins can boast of a pair of two-time All-Americans, center/linebacker Donn Moomaw in both 1950 and '52 and fullback Bob Davenport in 1954 and '55.

THUMBNAIL SKETCHES OF TOP UCLA PLAYERS

(In Alphabetical Order)
Only Lettermen Are Pictured

JIMMY LEE ALLEN — Senior; Sociology major. A JC transfer who played last year without benefit of Spring Practice, he came into his own as a brilliant defensive back who led the 1972 Bruins in pass interceptions with seven, including one on a conversion attempt. Was co-recipient with Quarterback Mark Harmon of the John Boncheff, Jr. Memorial Award as the Bruins' "Rookie of the Year." He started all 11 games. He figures to put in a strong bid for "All" honors this fall; in fact, he was picked on Playboy Magazine's pre-season All-America team. The Bruins' starting right cornerback has everything to be an outstanding football player. He's a fine example for younger players by virtue of his attitude toward football and the way in which he competes. A most versatile gridder for two years (1970-71) at Pierce College in Woodland Hills, Calif., he won All-America JC acclaim as a defensive back and also All-Southern California JC honors as a tight end. In '71, he caught 13 TD passes! Lettered in football under coach Jim Pendleton at Los Angeles Hi; also lettered in swimming. In fact, he was an All-City swimmer (free style and breaststroke) for two years. He also won All-City first team grid honors. Note: He won 1972 All-Coast honorable mention on UPI defensive team.

INDIVIDUAL VARSITY STATISTICS
1972—Pass Interceptions: *7 for 42 yards, 6.0 average and no TD's.
***One on a conversion attempt.**

NORMAN CRAIG (NORM) ANDERSEN — Sophomore; History major. He was redshirted last year after starring as both a split end on offense and safety on defense on 1971 UCLA Frosh team. Had an excellent Spring Practice and came out of it as No. 1 split end. He combines speed, moves and good hands, all the talents needed by a top pass receiver. Plus, he works hard and catches the ball well in the crowd. In final Spring game, he caught five passes for 113 yards, including a 68-yd. TD spectacular from John Sciarra as their team (the Golds) won a 42-23 thriller. Truly, a Bruin to watch! Lettered in football under coach C. A. VanHoorebeke at Anaheim (Calif.) Hi; also lettered in basketball. Won All-CIF and All-Orange County grid honors. Served as both football and basketball captain and also as Senior Class president.

EDDIE JEROME AYERS—Sophomore; Kinesiology major. He had an outstanding Spring Practice and wound up as No. 1 left halfback on offense, a back with great speed and running instincts and also a fine blocker. In other words, he has the talents to be a top Wishbone-T back. Had a brilliant final Spring game by rushing for 118 net yards on only 7 carries, including an 81-yd. TD scamper around end as his team (the Golds) won a 42-23 thriller over the Blues. As a freshman last year, he starred as the Junior Varsity's leading rusher with 409 net yards on 46 carries for a

neat 8.9 average and 4 TD's as the Jayvees posted a 3-1 season record. He had a brilliant day against Cal JV's at Berkeley, netting 222 yards on 15 carries for a 14.8 average and two TD's, one for 58 yards and the other for 6, in the Bruins' 62-34 victory. He also had another big game against Cal Poly (San Luis Obispo) with 122 yards on 14 carries for an 8.7 average and a 49-yd. TD scamper. Was voted 1972 Charles Pike Memorial Award as the JV's co-captain with senior Clay Gallagher. Lettered in football under coach Jerry Dueker at Pinole Valley (Calif.) Hi; also lettered in basketball and track. Won all-league grid honors for three straight years and was an All-America prep pick in 1971. In both his junior and senior years, he gained over 1,000 yards rushing. As a senior, he was the San Francisco East Bay "Back of the Year" and also played for North in 1972 Shrine game in Los Angeles. Served as football captain. He chose UCLA over USC, Notre Dame and Cal because of the Wishbone. He explains, "The Wishbone has so many options. Since it is a ground-oriented offense, I felt it was my opportunity to run the football."

RUSSELL MELVIN BALL — Junior; Kinesiology major. After three years at UCLA, first on 1970 UCLA Frosh team, then as a redshirt in 1971 and last year as a tight end on Junior Varsity, he may come into his own as a varsity TE this fall. He's a solid, consistent player who gives good depth to this position behind Gene Bleymaier and Eugene Jones. Lettered in football under coach Clifton Ozen at Hebert Hi in Beaumont, Tex.; also lettered in baseball, basketball and track. Won All-City grid honors for three years. Also won all-star recognition in prep baseball. Served as captain in both football and baseball.

RICHARD PAUL (RICK) BASKA—Senior; Kinesiology major. A starting defensive left guard (he started 10 games last fall), he was moved in Spring Practice to left linebacker. Last year, he was co-recipient with offensive guard Steve Klosterman of Capt. Don Brown Memorial Award for 1972 Bruins' "Most Improved Player." He made good progress at this new position and improved steadily. A tough, smart and experienced player, he figures to see lots of action at this new spot. He's also quick and has good leadership qualities. Was a top reserve at defensive guard in 1971 after being redshirted in 1970. Was a starting defensive end on '69 UCLA Frosh team. Lettered in football under coach Gene Vollnogle at Carson Hi in Torrance, Calif.; also lettered in baseball, track and wrestling. Won All-Los Angeles City second team honors in football. Served as captain in both football and wrestling and also as Senior Class president. Played on South team in 1969 Shrine prep classic in Los Angeles.

THUMBNAIL SKETCHES

GENE ANTHONY BLEYMAIER — Junior; Economics major. A top reserve at tight end last fall, he looms as the Bruins' standout TE starter this season. He indicated in Spring Practice that he's headed for stardom. Has ability to be either a TE or wide receiver. He combines football savvy with good speed, moves and pass-catching prowess. And although not too big, he has the uncanny knack for blocking bigger people. He and James McAlister are the top receivers returning, both having caught 3 each last year. In 1971, he starred at TE for the Brubabes and led the team with 12 receptions for 338 yards and 5 TD's. In other words, he runs well with ball after catching it. He was voted UCLA Frosh co-captain. Lettered in football under coach Dee Pankratz at Borah Hi in Boise, Idaho; also lettered in baseball and basketball. Incidentally, he competed at Lausen Hi in San Pedro, Calif., before moving to Boise. Won All-Idaho State football honors and also All-America prep honorable mention in 1970. Served as Junior Class president.

INDIVIDUAL VARSITY STATISTICS

1972—Receiving: 3 receptions, 70 yards, 23.3 average, no TD's.

DAVID A. BOZE' — Junior; Sociology major. A JC transfer from Victor Valley College in Victorville, Calif., he showed fine promise in Spring Practice at right linebacker. Has size and speed to do the job but, of course, lacks varsity experience. Still figures to see lots of action. At Victor Valley, he was voted Desert Conference's "Defensive Player of the Year" in 1972. Lettered in football under coach Frank Walker at Phillis Wheatley Hi in Houston, Tex. Won all-district honors at middle guard on defense.

JAMES LEE BRIGHT — Senior; Economics major. A two-year veteran at safety, he started seven games last year and backed up Ron Carver in 1971. However, he's now playing strong safety, or "Bruin" as the coaches call it, instead of weak safety, the position he's played past two seasons. He adjusted to his new duties well in Spring Practice and is tabbed for a banner senior campaign. A fine athlete with good speed and range, he has great desire to succeed. Last year, he intercepted one pass, was in on 79 tackles (third behind only Fred McNeill with 89 and Allan Ellis with 81), and recovered one fumble. He was the leading pass receiver on 1970 UCLA Frosh team as starting split end. Lettered in football under coach C. H. Jackson at Eastside Hi in Farmerville, Louisiana; also lettered in basketball. Won 1969 All-Star and All-District grid honors. Served as football captain.

INDIVIDUAL VARSITY STATISTICS

1971—Interceptions: 1 for 34 yards, no TD's.
Kickoff Returns: 3 for 54 yards, 18.0 average, no TD's.
1972—Interceptions: 1 for 0 yards, no TD's.
2-Yr. Totals—Interceptions: 2 for 34 yards, no TD's.

THUMBNAIL SKETCHES

DAVID MICHAEL (DAVE) CARGO — Sophomore; English major. A promising strong safety, he redshirted last year after playing on 1971 UCLA Frosh team. Tough and competitive, he showed enough in Spring Practice to indicate he can help this fall. Needs only to develop more consistency in his play. May also be tried at weak safety. Lettered in football under coach Don Lockyer at Concord (Calif.) Hi; also letteerd in baseball and basketball. Was a two-time (1969-70) all-league gridder and was picked "Player of the Year" as senior in San Francisco East Bay area. Served as football captain.

RUSSEL EUGENE CHARLES — Junior; undecided on major. (Note: Russel with one "l" is correct spelling.) Although he didn't play too much last year behind James McAlister at offensive left half, he did show real talent, a flashing speedster with good running instincts. With McAlister now at fullback, he and Eddie Ayers figure to have a season-long battle for starting honors at LH. Last year, he only carried ball 10 times for a neat 9.4 average, including a 51-yd. run vs. Oregon State. He also impressed as a kickoff returned with 7 for a 19.6 average, including a 51-yd. return vs. Oregon, the Bruins' longest KO scamper of season. In final spring game, he netted 49 yards on 9 carries for a 5.4 average, including a 20-yd. TD scamper. In other words, he's a Bruin to watch! Was on UCLA campus as freshman in 1971 but wasn't eligible to compete. Lettered in football under coach Billie Matthews (now his backfield coach at UCLA) at Kashmere Hi in Houston, Tex.; also lettered in track. Went both ways in football; in one game he ran for 4 TD's and also intercepted a pass. Served as both football and track captain.

INDIVIDUAL VARSITY STATISTICS

1972—Rushing: 10 carries, 94 net yards, 9.4 average, no TD's.
Receiving: 1 reception, 28 yards, no TD's.
Kickoff Returns: 7 for 137 yards, 19.6 average, no TD's.

EUGENE ANTHONY (GENE) CLARK — Junior; Psychology major. Sat out last year with a dislocated shoulder, but returned to action in Spring Practice and looms as starting offensive left guard. In 1971, he was a top reserve at offensive tackle, the same position he played on 1970 UCLA Frosh team. Has all the attributes for stardom, including size (6-3, 279), quickness and intelligence. Lettered in football under coach Ben Hammerschmidt at Poly Hi in Riverside, Calif.: also lettered in track and wrestling. Was prominent in student affairs as well as athletics. Voted both "Outstanding Senior" and "Athlete of Year." Served as wrestling captain and Junior Class president.

THUMBNAIL SKETCHES

(Continued)

ROBERT LEE (BOB) CRAWFORD — Sophomore; Biochemistry major. Played briefly in only one varsity game (vs. Michigan) as freshman last year but did play defensive tackle for Junior Varsity team. Moved from down lineman on defense to defensive left end midway in Spring Practice and showed marked aptitude for new position. Has outstanding speed for his size (6-3, 222); in fact, he ran 9.8 and 21.8 in sprints in high school. Lettered in football under coach Myron Gibford at Sylmar (Calif.) Hi; also lettered in track. Won all-league grid honors and both all-league and All-Los Angeles City acclaim in track. Served as football captain.

RANDY LAUREAT (RANDY) CROSS — Sophomore; undecided on major. Starred at offensive guard for 1972 UCLA Junior Varsity team. Was switched to center in Spring Practice and made fine progress at new position; in fact, he figures to battle Art Kuehn and Dan Gilbert for starting honors. Has excellent size (6-3, 240), quickness and agility. A truly great prep shot putter, he didn't compete for Bruins' 1973 NCAA track champions because of Spring Practice but figures to take part in '74. Lettered in football under coach Steve Butler at Crespi Hi in Encino, Calif.; also lettered in track. Won all-league and All-CIF honors in football as a defensive tackle — and these plus All-America acclaim in track. Was 1972 State prep shot put champion with a best of 67-plus feet with 12-lb. shot. Served as captain in both sports. Note: Crespi coach Butler is a former UCLA tackle.

DALE CURRY — Sophomore; undecided on major. Up from 1972 UCLA Junior Varsity team where he impressed as a defensive end. Also made tremendous progress in Spring Practice and wound up as No. 1 replacement for Fred McNeill at DRE. Could be a most pleasant surprise. Lettered in football under coach Buzz Williams at San Mateo (Calif.) Hi; also lettered in track and wrestling. Was named team's "Most Valuable Player" as well as winning all-league grid honors. Served as captain in all three sports.

JEFF DANKWORTH — Sophomore; undecided on major. Up from 1972 UCLA Junior Varsity where he saw action at quarterback. Made outstanding progress in Spring Practice and wound up as a most promising Wishbone QB behind Mark Harmon and John Sciarra. He turned in an impressive performance as the Blues' starting QB in final spring game. He not only completed 9 of 14 passes for 148 yards, including a 36-yd. TD aerial to Steve Monohan, but also was his team's top rusher with 81 net yards on 17 carries for a 4.8 average. Has great potential but may be a year away from being an effective Wishbone operator. Lettered in football under coach Tom Ryan at Reno (Nevada) Hi; also lettered in baseball, backetball and track. Won All-State honors at QB for two years, 1969 and '71. Served as football captain. His brother, Gary, rated finest prep pole vaulter in Nevada history with a 15-6½ best. He's currently competing for Washington and has cleared 16-6.

JACK DeMARTINIS — Junior; Economics major. Big and strong, this JC offensive tackle prospect from Glendale (Calif.) College is rated a real comer. He reported overweight (289) at start of Spring Practice but shed 29 pounds and was coming strong at ORT at close of off-season drills. He made switch from guard to tackle in good shape last spring. Lettered in football under coach Mike Prior at Pater Noster Hi in Los Angeles; also lettered in track. Won all-league honors in both sports. Also served as captain of each sport and Student Body vice-president.

CHARLES MATT (MATT) FAHL — Sophomore; Engineering major. A running back on 1971 UCLA Frosh team, he was redshirted last year. In Spring Practice he was moved to defensive cornerback and made remarkable progress at a new position; in fact, this is the first time he's ever played on defense. A fine athlete, he appears to need only experience in the secondary to be a good one. Lettered in football under coach Pat Roberts at Grossmont Hi in La Mesa, Calif.

ARTHUR HILLS (ART) FRY — Junior; Zoology major. Moved from defensive tackle to left linebacker in Spring Practice and indicated he has the agility and quickness to play new position. Backed up Tom Waddell in good style at DRT last year. A broken wrist kept him sidelined during the 1971 UCLA Frosh season. Lettered in football under coach Herb Hill at Loara Hi in Anaheim, Calif. Won 1970 All-Southern California CIF grid honors at guard and played on South team in 1971 Shrine prep classic in Los Angeles. Served as football captain.

MICHAEL ELLIS (MIKE) FRYER —Senior; Economics major. Saw considerable action at safety last year; in fact, he started three games. Made one pass interception, deflected three and broke up three others; was in on 35 tackles and recovered one fumble. In other words, he has outstanding instincts going for the ball. He has a fine attitude and made great progress in Spring Practice. He figures to battle talented JC transfer Kent Pearce for starting honors at weak safety. Also looms as the Bruins' No. 1 punter with graduation of Bruce Barnes. He averaged 44.3 yards on 4 punts in final spring game. Transferred to UCLA last fall from Santa Barbara (Calif.) City College where he won All-America JC honors at defensive back and also All-State JC acclaim. Lettered in football at Santa Barbara Hi. Won all-league honors.

INDIVIDUAL VARSITY STATISTICS

1972—Interceptions: 1 for 12 yards, no TD's.

THUMBNAIL SKETCHES

(Continued)

DAN WESLEY GILBERT—Junior; undecided on major. Backed starter Randy Gaschler at center last year. Has good quickness, intelligence but lacks size. A hard worker, he gives solid depth to center with Art Kuehn and Randy Cross. Went both ways on 1971 UCLA Frosh team, playing both offensive guard and defensive tackle. Lettered in football under coach Esper Keiser at Claremont (Calif.) Hi; also lettered in basketball. Won All-San Antonio League honors at defensive tackle. Also voted his team's "Most Valuable Lineman" as a senior. Served as football captain.

THOMAS MARK (MARK) HARMON—Senior; Communications major. Had an outstanding season as Bruins' starting Wishbone-T quarterback last year—and is tabbed for an even better one as an experienced QB operator this fall. Until he broke his left collarbone and missed the last week of Spring Practice, he had shown marked improvement in passing and execution of the option play. In short, he was just a more effective Wishbone QB than last year—and because of his all-around execution of the offense, he was the Bruins' No. 1 QB at close of Spring Practice. In 1972, he led the team in passing, 30 of 70 passes for 574 yards and 6 TD's; was fifth in rushing with 444 net yards on 98 carries for a 4.5 average and 7 TD's; tied with Kermit Johnson for third in scoring with 42 points; and was the team's total offense leader with 1,018 yards. He and Jimmy Allen were voted co-recipients of 1972 John Boncheff, Jr., Award for UCLA's "Rookie of the Year." Transferred to UCLA in Spring of 1972 from Pierce College in Woodland Hills, Calif., where he had starred for two years (1970 and '71) at QB, winning All-Metropolitan Conference honors both years and All-America JC acclaim in '71. Lettered in football under coach Lee Carlson at Harvard School in North Hollywood, Calif.; also lettered in baseball and rugby. Won All-Olympic League honors in both football and baseball. Also was an All-Southern California CIF catcher. Served as captain in both football and baseball. He has a noteworthy football background. His father is the legendary Tom Harmon of Michigan, now a nationally-respected sportscaster who announces the Bruins' football games on KTLA (Channel 5) the Los Angeles station which carries UCLA football and basketball games. Harmon is one of football's all-time greatest running halfbacks, a two-time All-American in 1939 and '40 and Heisman Trophy winner in 1940. He was elected to National Football Foundation Hall of Fame in 1954. Mark's mother is the former Elyse Knox, actress; his brother-in-law, Rick Nelson, singer.

INDIVIDUAL VARSITY STATISTICS

1972—Rushing: 98 carries, 444 net yards, 4.5 average, 7 TD's.
Passing: 30 completions of 70 passes for 574 yards, 42.9%, 6 TD's, 7 interceptions.
Scoring: 7 TD's for 42 points.
Total Offense: 1,018 yards, 574 by passing and 444 by rushing.

THUMBNAIL SKETCHES

MARK ANTHONY HARRIS—Junior; History major. A transfer from San Joaquin Delta College in Stockton, Calif., this defensive left tackle came along well in Spring Practice. Has good size and quickness for this position. However, he may be a year away from varsity action; in other words, he's a standout future prospect. Played both ways, tight end on offense and linebacker on defense, at Delta College. Won 1972 All-San Joaquin Valley Conference honors. Lettered in football at Edison Hi in Stockton; also lettered in track. Won All-City, All-Conference and All-Northern California grid honors. Played both ways, tackle on both offense and defense. Served as football captain.

EFREN HERRERA—Senior; undecided on major. One of the country's premier place kicking specialists for past two seasons, he figures to be better than ever as a senior this fall. This colorful and likeable Mexican-born and soccer-style kicker combines both accuracy and range. He also kicks off with regularity into the end zone. Last year, he tied for 12th in final NCAA kick-scoring statistics with 63 points, by hitting on 45 (of 47) conversions and 6 (of 15) field goals. He has led the Bruins in scoring for past two years, 63 points last fall and 46 in 1971 when he made 16 (of 16) conversions and 10 (of 21) field goals. His two-year total of 109 points places him No. 10 on all-time UCLA scoring list. He figures to wind up at least third among Bruins' career point-makers. His longest FG, to date, has been for 48 yards in 1971. But he has the power to kick one 60 yards, as he has often done in practice. His most prolific game came against Washington in 1971 when he kicked four field goals for a UCLA record. He also holds two UCLA season records: most conversions of 45 (or 47) set last year and most conversions in conference games of 32 (of 34) also set last year. He needs 6 more field goals to break Zenon Andrusyshyn's three-year school record of 21 set in 1967-68-69. He won 1972 All-Pac-8 honorable mention as a place kicker. He also may do some punting this season. Also plays soccer at UCLA. He was born in Guadalajara, Mexico, and came to La Puente, Calif., to live with relatives. He attended La Puente Hi where he starred in football under coach Mike Quinn and also lettered in baseball, wrestling, track and soccer. Won all-league and All-CIF honors in football. Incidentally, he didn't play UCLA Frosh football in 1970.

INDIVIDUAL VARSITY STATISTICS

1971—Scoring: 16 of 16 conversions and 10 of 21 field goals for 46 points.

1972—Scoring: 45 of 47 conversions and 6 of 15 field goals for 63 points.

2-Yr. Totals: 61 of 63 conversions and 16 of 36 field goals for 109 points.

STEVEN KEANIANIOKALANI (STEVE) HOOKANO—Senior; Design major in College of Fine Arts. Excused from Spring Practice to concentrate on studies but is expected to be back for a banner senior campaign at right linebacker this fall. Last year, he started at LLB in 9 of 11 games. In other words, he's a good one. In 1971, he was a top reserve at defensive end after being a starting safetyman on undefeated 1970 UCLA Frosh team. Lettered in football under coach George Naukana at famed Kamehameha School in Honolulu; also lettered in basketball and track. Won All-Hawaiian prep grid honors, playing both split end on offense and safety on defense. Served as football captain.

MYKE (TINY) HORTON—Junior; Communications major. (Myke is correct spelling for first name.) Transferred to UCLA last April from Gavilan College in Gilroy, Calif., where he starred for two years as an all-conference lineman. Made good program in Spring Practice and could even push senior Steve Klosterman for starting honors at offensive right guard. Has excellent size (6-4, 260). Lettered in football under coach Dee Hawkes at Davis Hi in Yakima, Washington; also lettered in track. Won all-league grid honors and also placed third in State discus throw.

MICHAEL (MIKE) JACOBY—Junior; Pre-Dental major. Transferred to UCLA from Bakersfield (Calif.) College where he starred last year as a lineman. Had a good Spring Practice even though he missed 10 days because of an injury. However, he indicated with experience he should develop into a good one. May be a year away from varsity action. Has excellent size (6-7, 234). (Would you believe that he didn't play his first year at Bakersfield College because he was too thin?) Didn't play football his senior year at Foothill Hi in Bakersfield after seeing junior varsity action the previous two seasons.

KERMIT DeKOVEN JOHNSON—Senior; Sociology major. Last year, he set UCLA records for most net yards rushing for a game (183) and for a season (952). And now this stellar senior right halfback needs to gain only 550 more yards this fall to break the Bruin career mark of 1,915 yards compiled by the legendary Kenny Washington in 1937-38-39. In other words, he figures to establish himself as the Bruins' No. 1 running back in history in 1973. Certainly, he's a strong All-America candidate, a back who does everything well. He's durable, blocks well with great running instincts, moves and speed (in fact, last spring he ran a 9.8 100 in track). Last year, his big game was against Arizona when he netted 183 yards on 15 carries for a 12.2 average and 2 TD's, one for 2 yards and the

other for 62. This broke the school record of 182 yards by Marv Kendricks in 1970 USC game. For the season, he rushed for 952 yards on 140 carries for a 6.9 average and 7 TD's. This erased the school record of 892 yards by Sam "First Down" Brown in 1955. He and teammate James McAlister were voted by conference coaches as the 1972 All-Pac-8 halfbacks on offense. He and McAlister also were co-recipients of UCLA's coveted Paul I. Wellman Award for all-around excellence. (He and McAlister were teammates at Blair Hi in Pasadena, Calif., and so they are called "The Blair Pair.") He also was picked on 1972 All-Coast first teams by AP and UPI and received All-America honorable mention by both wire services. As a sophomore in 1971, he arrived as a great Bruin running back even before he broke his ankle and missed the final three games. He still was the team's No. 2 rusher with 414 yards on 80 carries for a 5.18 average and 2 TD's. His soph season was amazing when you consider he didn't play frosh football (1970) or have the benefit of Spring Practice. Lettered in football under coach Pete Yoder at Blair Hi; also lettered in track. Won 1969 All-Southern California CIF grid honors; in fact, was the CIF's "Co-Player of the Year." He had sprint bests of 9.7 and 21.6.

INDIVIDUAL VARSITY STATISTICS

1971—Rushing: 80 carries, 414 net yards, 5.1 average, 2 TD's.
Receiving: 2 receptions, 11 yards, 5.5 average, no TD's.
Kickoff Returns: 11 for 217 yards, 19.7 average, no TD's.
1972—Rushing: 140 carries, 952 yards, 6.8 average, 7 TD's.
Receiving: 2 receptions, 36 yards, 18.0 average, no TD's.
Kickoff Returns: 2 for 39 yards, 19.5 average, no TD's.
2-Yr. Totals—Rushing: 220 carries, 1,366 net yards, 6.2 average, 9 TD's.
Receiving: 4 receptions, 47 yards, 11.8 average, no TD's.
Kickoff Returns: 13 for 256 yards, 19.7 average, no TD's.

EUGENE PATRICK JONES, JR. —Senior; Kinesiology major. With teammate Gene Bleymaier, be backed up senior Jack Lassner in fine style at tight end last year. Now, this season, he's battling Bleymaier for starting honors at TE. They give the Bruins a talented pair. He has everything, including size (6-3, 230) and speed, to be a great one. However, he must put it altogether to reach his potential. He didn't catch a pass last year. In 1971, he played only 4 minutes at defensive end before being sidelined with a knee injury which required surgery. He didn't play 1970 frosh football at UCLA. Lettered in football under coach Pete Yoder at Blair Hi in Pasadena, Calif.; also lettered in basketball and track. Won All-Southern California CIF grid honors. Played both tight end and defensive end. Played with current teammates, Kermit Johnson and James McAlister, at Blair.

JIMMIE L. JONES, JR.—Senior; Sociology major. A fundamentally sound halfback, he can block as well as run, he's a most capable and experienced back-up man for Kermit Johnson at RH. Last year, as a top reserve behind Johnson, he carried 19 times for 69 yards, a 3.6 average and one TD. He played briefly at the same spot in '71. Transferred to UCLA in fall of 1970 from East Los Angeles JC where he won all-confer-

ence honors. Lettered in football under coach Gil Rozadilla at Manual Arts Hi in Los Angeles. Won All-City honors at offensive halfback and linebacker. Served as football captain.

INDIVIDUAL VARSITY STATISTICS

1971—Rushing: 7 carries, 20 net yards, 2.8 average, 1 TD.
1972—Rushing: 19 carries, 69 net yards, 3.6 average, 1 TD.
2-Yr. Totals—26 carries, 89 net yards, 3.4 average, 2 TD's.

FRANK JAMES KELLY—Sophomore; English (Pre-Journalism) major. Up from 1972 Junior Varsity team on which he was a starting offensive halfback. He had a big game against California JV's when he netted 72 yards on 14 carries for a 5.1 average and two TD's, one for 6 yards and the other for 37. Had an outstanding Spring Practice in which he demonstrated that he's learning to eliminate mistakes. Combines good size (6-0, 195) and speed for a running back. Lettered in football under Willie Crittendon at Manual Arts Hi in Los Angeles; also lettered in track. Won 1971 All-City grid honors and was twice an all-league selection.

EDWARD EARL (ED) KEZIRIAN — Senior; undecided on major. Looms as one of finest offensive tackles in Pac-8 this fall. Started 8 games last year at OLT and was a very capable performer. But in Spring Practice he showed marked improvement, especially in controling blockers on line of scrimmage and in his pass rush. Not only has ability, good size (6-4, 239), is a hard worker but has a tremendous attitude toward football. Transferred to UCLA in spring of 1972 from Reedley (Calif.) JC where he starred for two years. Lettered in football under coach Ralph Salazar at Central Union Hi in Fresno, Calif.; also lettered in baseball and basketball. Served as football captain.

STEVEN LEO (STEVE) KLOSTERMAN—Senior; Political Science (Pre-Law) major. (This veteran offensive right guard is an outstanding student with a 3.5 grade average.) Started all 11 games at ORG last year and was picked on UPI's All-Coast first team on offense. Also was Bruins' 1972 co-recipient with Rick Baska of Captain Don Brown Memorial Award for "most improved player." Tabbed for a banner senior campaign. Combines size (6-2, 245), quickness and good leadership qualities. Played briefly behind All-America center Dave Dalby in 1971. Was redshirted in 1970 after being starting tackle on 1969 UCLA Frosh team. Lettered in football under coach Hal Akins at Laguna Beach (Calif.) Hi; also lettered in basketball. Won All-San Diego CIF, All-County and all-league grid honors. Served as football captain.

ARTHUR BERT (ART) KUEHN — Junior; undecided on major. Backed up senior starter Russ Leal at offensive left guard last year. Also saw action offensively at center and guard. In other words, a versatile and intelligent gridder. Had an outstanding Spring Practice and looms as probable starting center. However, he'll be pushed by Randy Cross and Dan Gilbert. A hard-worker, he has excellent size (6-2, 252) for his position. Was a starting offensive tackle and co-captain with Gene Bleymaier of 1971 Frosh team. Lettered in football under coach John Second at Cubberley Hi in Palo Alto, Calif.; also lettered in track and wrestling. Won All-Northern California prep grid honors and played on North team in 1971 Shrine all-star summer classic in Los Angeles. Served as football captain.

RICK KUKULICA — Junior; Kinesiology major. Transferred to UCLA last spring from Chabot College in Hayward, Calif., where he starred as an all-conference tackle for past two years. (Incidentally, Chabot is the JC that sent Ed Galigher, another top defensive lineman to UCLA in 1970-71 and now starting for New York Giants.) Really impressed in Spring Practice and could push Gerry Roberts for starting honors at defensive left tackle all season long. He's tough, strong, has fine size (6-4, 255) and also demonstrated a great "feel" for his position. Lettered in football under coach Naish Piaza at Marina Hi in San Leandro, Calif.; also lettered in baseball. Won All-Northern California grid honors as a two-way tackle.

FULTON GERALD KUYKENDALL—Junior; undecided on major. Saw action at defensive left end behind starter Cal Peterson and also on specialty teams last year. However, with Peterson missing all of Spring Practice because of a leg injury, he moved in as first string at DLE and may be tough to dislodge even for the talented Peterson. Also can go at other end position if needed. In other words, the '73 Bruins have three top defensive ends in Fred McNeill, Peterson and Kuykendall. Had a tremendous Spring Practice and in final game was in on 23 tackles alone. He has the same attributes as McNeill and Peterson: speed, agility and good football savvy. Plus, he hits with little regard for his own physical well being! Was starting fullback and defensive end on 1971 UCLA Frosh team. Lettered in football under coach Thomas Mihelic at St. Patrick's Hi in Vallejo, Calif.; also lettered in baseball and basketball. Won All-City honors for two years (1969-70). Served as football captain three years and baseball captain two years.

THUMBNAIL SKETCHES

(Continued)

KEN H. LEE — Sophomore; Kinesiology major. Up from 1972 UCLA Junior Varsity team on which he was the starting fullback and showed good running power. Of Chinese ancestry, he was a most pleasant surprise in Spring Practice. Needs to improve his open field running but definitely has the ability to be a fine Wishbone FB. Has size (6-1, 204), smoothness and strength. In final spring game for losing Blues (23-42), he netted 47 yards on 15 carries for a 3.1 average and one TD. Lettered in football under coach Gordon Marsh at Eagle Rock (Calif.) Hi; also lettered in baseball and track. Served as track captain.

WILLIAM ALLEN (BILL) LITTLE — Junior; Psychology (Pre-Dental) major. Up from 1972 UCLA Junior Varsity team on which he was a defensive back. Off a good Spring Practice, he could see action behind Jimmy Allen at right cornerback. A player of fine intelligence, he consistently gives 100% effort. Played on 1970 UCLA Frosh team and then was redshirted in '71. Lettered in football under coach Frank Hicks at Sonora Hi in La Habra, Calif.; also lettered in basketball and track. Won all-league honors at split end.

MICHAEL STEVENS (MIKE) MARTINEZ—Sophomore; Sociology major. A promising defensive nose guard, he transferred to UCLA last spring from East Los Angeles JC where he starred for one year. Had an outstanding Spring Practice and with Pat Sweetland and Greg Norfleet he gives '73 Bruins 1-2-3 strength at NG. He's quick, tough and rugged; a dedicated player. Lettered in football under coach Tak Kobiyashi at Montebello (Calif.) Hi; also lettered in baseball. Won all-league honors in both sports.

JAMES EDWARD McALISTER—Senior; Psychology major. He's tabbed to come off a spectacular track season— a '73 season in which as we write this on July 2, he got off the world's longest legal (not wind-aided) long jump of 27-0½—and have an equally sensational football campaign this fall. He was a key member of the Bruins' undefeated dual meet team that went on to Pac-8 and NCAA team championships, placing second in conference title meet and third in national meet. And most noteworthy is that he defeated USC's Randy Williams, 1972 Olympic LJ champion, in 4 of 7 head-on meetings during the regular season, including his 27-0½ school record in UCLA's dual meet victory over the Trojans. Against USC, "Big Mac" also ran a lifetime best of 9.6 (wind-aided) to place third in 100-yd. dash. (He also won berth on all-star U.S. team, under UCLA coach Jim Bush, that toured Europe this summer.) He, of course, was excused from Spring Practice to compete in track and his long jump success should make him a more confident and relaxed football player. It is planned to move him from halfback to fullback in the Wishbone-T attack, a position which should be ideally suited to his type of running which combines power and speed. Plus,

the move allows the Bruins to assemble more running ability in their backfield, with speedsters Eddie Ayers and/or Russel Charles moving into his LH spot. Even though hampered by many nagging injuries last year, he still had a fine season, netting 778 yards in 158 carries for a 4.9 average and 9 TD's to place second only to his good friend and prep teammate, Kermit Johnson in rushing with his 952 yards. "Big Mac" ran for the most TD's by a '72 Bruins, two more than Johnson and Mark Harmon, each with 7. McAlister and Johnson were All-Pac-8 halfbacks picked by the conference coaches. They also were co-recipients of the Bruins' Paul I. William Award for "all-around excellence." "Big Mac" also was picked on UPI's All-Coast second team and was given All-America honorable mention by UPI. Last year saw him return to action following a frustrating one-year probation by the NCAA, a year in which he could neither compete or practice with UCLA football or track teams. In other words, barring injuries, the "real" McAllister figures to stand up this fall. He starred on undefeated 1970 UCLA Frosh team, averaging 5.4 yards on 66 carries for 3 TD's, including a 95-yd. dash against USC yearlings. Letterd in football under coach Pete Yoder at Blair Hi in Pasadena, Calif.; also lettered in track. Won All-Southern California CIF and All-America prep honors in both sports. Tied the National prep LJ record in 1969 with a 25-7 leap. During his 1967-68-69 prep career, he netted 4,380 yards on 533 carries for an 8.2 average and 54 TD's. In other words, he was one of the greatest running backs in SoCal prep history.

INDIVIDUAL VARSITY STATISTICS

1972—Rushing: 158 carries, 778 net yards, 4.9 average, 9 TD's.
Receiving: 3 receptions, 49 yards, 16.3 average, no TD's.

PHILIP (PHIL) McKINNELEY — Sophomore; Economics major. This promising offensive left tackle didn't play as a frashman last year because of a knee operation. But in Spring Practice he indicated he's a future super star. Has size (6-5, 253), excellent speed for a big man. Combines football savvy and strength. Lettered in football under coach Dennis Koller at St. Mary's Hi in Berkeley, Calif.; also lettered in basketball. Won All-America grid honors as well as All-East Bay acclaim. Served as captain in both sports.

FREDERICK ARNOLD (FRED) McNEILL — Senior; undecided on major. A two-year starter at defensive right end, he figures to be bigger (222 instead of 198) and better than ever this fall. Definitely, one of the country's premier defensive ends. Last season, he was named an AP's All-West Coast first team and also received All-America honorable mention by AP. He and fellow defensive end, Cal Peterson, were co-recipients of the Bruins' 1972 N. N. Sugarman Memorial Award for "best spirit." Yes, UCLA has two of America's best set of defensive ends in McNeill and Peterson. Indicated in Spring Practice that his added weight had made him more physical. He's not only an exceptional pass rusher but can fall back to do an

excellent job on pass defense. Was in on 89 tackles to lead '72 Bruins in this department. A very disciplined player, he's always around the ball. As a soph in '71, he was deserving recipient of John Boncheff, Jr., Trophy as the Bruins' "Rookie of the Year." Starred as a linebacker on undefeated 1970 UCLA Frosh team. His older brother, Rod, is a star senior tailback for USC this fall. Fred also ran high hurdles (14.5) for 1971 Bruins and didn't compete in track the past two years. In other words, he's concentrating on football. Lettered in football under coach Ed Knight at Baldwin Park (Calif.) Hi; also lettered in basketball and track. Won All-San Gabriel Valley and All-SoCal CIF grid honors. Also played on South team in 1970 Shrine summer prep classic in Los Angeles. Served as captain in all three sports.

INDIVIDUAL VARSITY STATISTICS

1971—Interceptions: None.
1972—Interceptions: 1 for 14 yards, no TD's.

ALTON MAURICE McSWEEN — Senior; Kinesiology major. Saw considerable action at defensive halfback last year and goes into 1972 as the probable starter at defensive left corner. He's not only a hard worker, tough and dependable, but also a smart player. He intercepted only one pass last year but it was a spectacular play: a 75-yd. TD return vs. California! Transferred to UCLA in fall of 1971 from Monterey (Calif.) Peninsula College, where he starred in football and baseball. Won '70 All-State JC honors at defensive halfback. He was redshirted at UCLA in 1971. Lettered in football under coach Steve Daeschner at Pacific Grove (Calif.) Hi; also lettered in basketball and baseball. Won All-Central Coast and All-NoCal grid honors in 1968. Served as football and basketball captain.

INDIVIDUAL VARSITY STATISTICS
1972—Interceptions: 1 for 75 yards, 1 T.D.

STEVEN (STEVE) MONAHAN — Junior; Kinesiology major. A promising split end, he transferred to UCLA last spring from Orange Coast (Calif.) College, where he starred for two years. Impressed in Spring Practice as an excellent receiver, a real breakaway threat after catching the ball. Was top receiver in final spring game with 8 catches for 122 yards and one TD, a 36 yarder. Although he only weighs 165, he appears to be a fine competitor and also is slated for punt and kickoff return duty. Lettered in football under coach Leon Wheeler at Marina Hi in Huntington Beach, Calif.

GREGORY LEE (GREG) NORFLEET — Junior; Economics major. Saw considerable action (started 1 game) at defensive left guard last year. Moved to nose guard in Spring Practice and really impressed at new position. Extremely quick and strong, he figures to battle Pat Sweetland for starting honors. Was a starting defensive guard on 1971 UCLA Frosh team. Lettered in football under coach Larry Shimph at Morse Hi in San Diego, Calif.; also lettered in track and wrestling. Won All-San Diego CIF football and track (shot put) honors as a senior. Also was voted his league's "Lineman of the Year." Served as captain in all three sports.

ALROY JOHN (AL) OLIVER — Senior; Kinesiology major. Came into his own as a top offensive tackle last year, playing both sides and starting three games at RT. Slowed down in first part of Spring Practice with a back injury, but was coming on strong at end. As they say, he has all the tools to be a great one, including size (6-7, 275), strength and speed. Yes, he's a Bruin with "All" potential. Transferred to UCLA in spring of 1972 from Cerritos (Calif.) JC where he starred in both football and track. Lettered in football under coach Gary Van Hulzen at Valley Christian Hi in Cerritos; also lettered in track and baseball. Won all-league honors in track. Served as Junior Varsity football captain.

KENT PEARCE — Junior; Kinesiology major. Last season, he was the nation's leading junior college pass interceptor with 12 while starring for Fullerton (Calif.) JC. Now, having transferred to UCLA last spring, he's tabbed to swip his share for '73 Bruins as starting "weak" safety. He especially impressed in Spring Practice with his "hitting" and in going to the ball. In other words, he looks like a real good one. Won 1972 All-State JC honors. Lettered in football under coach Len Peden at La Habra (Calif.) Hi; also lettered in basketball and baseball. Won all-league honors and served as captain in all three sports. Played both quarterback and defensive halfback.

GERALD STEPHEN PEEKE — Senior; Kinesiology major. Started all 11 games last year at defensive right guard. But moved to defensive right tackle in Spring Practice and made transition in fine style. Figures to battle Bill Sandifer for starting honors all season long. Has everything, including size (6-2, 244), speed and strength to be a star. His 1972 defensive statistics are impressive: in on 75 tackles, led the team

in hurrying the passer with 3 and was third in sacking the QB with 4. Transferred to UCLA in spring of 1972 from Pearce College in Woodland Hills, Calif., where he starred in both football and wrestling. Won All-Metropolitan Conference honors in both sports. Also gained All-America JC acclaim at defensive tackle. Lettered under coach Dick Jacobson at Palos Verdes Hi in Palos Verdes Estates, Calif.; also lettered in track and wrestling. Won All-CIF honors at linebacker and as a heavyweight wrestler. Also won all-league honors in track as a shot putter. He also played fullback and was a "large" member of 440 relay team. Served as wrestling captain.

CALVIN ELSTON PETERSON—Senior; undecided on major. A two-year starter at defensive left end, he is tabbed for a banner senior campaign. However, he missed all of Spring Practice because of a leg injury and now faces a stiff challenge this fall from Fulton Kuykendall. But Peterson has a prime factor in his favor: experience! Plus, he has all the other important attributes such as size (6-4, 214) and speed. Last year, he was picked on UPI's All-Coast first defensive team. And he and his fellow defensive end, Fred McNeill, were 1972 co-recipients of the Bruins' N. N. Sugarman Memorial Award for "best spirit." He was runner-up to Allan Ellis in the team's point-scoring system based on '72 defensive statistics, leading in QB sacks with 7 and second in both broken-up passes with 5 and fumbles recovered with 3. In other words, DLE has to be one of the Bruins' strongest positions with Peterson and Kuykendall on hand. Was a starting linebacker on undefeated 1970 UCLA Frosh team. Lettered in football under coach Jim Pendleton at Los Angeles Hi; also lettered in track (440). Won All-City grid honors and played in both Los Angeles Shrine and Honolulu all-star summer prep classics. Served as football captain.

HERSCHEL FREDERICK RAMSEY — Junior; Mathematics-Computer Science major. Started five games at linebacker last season. But was moved in Spring Practice to strong safety, called "Bruin" by coaches. Made transition with surprising ease and appears to be a very dependable and consistent performer at this new spot. He's tough and has good speed. Was a starting linebacker on 1971 UCLA Frosh team. Lettered in football under coach Tom Hamilton at Pasadena (Calif.) Hi; also lettered in baseball. Won All-CIF grid honors. Served as football captain and also vice-president of Student Body.

ROBERT J. (BOB) REYES — Sophomore; Finance major. A promising newcomer at offensive right tackle,

he transferred to UCLA last spring from Santa Ana (Calif.) College, where he starred for one year (1972) in football. Was picked on All-South Coast Conference second team as defensive tackle. Impressed in Spring Practice from first day and gained immediate recognition as a "cement head," a real hitter. Has both size (6-5, 260) and speed. Lettered in football under coach Tom Baldwin at Santa Ana Hi; also lettered in track. Won All-Sunset League grid honors. Served as football captain.

GERRY A. ROBERTS — Senior; English major. Without benefit of Spring Practice last year, he stepped in and did a fine job at defensive tackle; in fact, he started the last 3 games. Had an outstanding off-season session last spring and is tabbed as starter at OLT. Has exceptional speed and uses it well in rushing passer. Also has ability to make tackles all over the field. Has good size (6-5, 238). Transferred to UCLA in fall of 1972 from College of the Desert in Palm Desert, Calif., where he starred for two years as a lineman. Lettered in football under coach Roy Adams at Indio (Calif.) Hi. Won all-league honors. Played both tight end and defensive end.

WILLIAM PATRICK (BILL) SANDIFER — Senior; Kinesiology major. Did a fine job as a top reserve at defensive right guard last year. Was moved in Spring Practice to defensive right tackle and made transition in impressive fashion. In fact, he goes into Fall Practice as the starter at DRT ahead of Gerald Peeke. Bill combines size (6-6, 285), agility and quickness. He has potential to be one of the country's premier defensive tackles. Transferred to UCLA in fall of 1972 from Mira Costa (Calif.) JC, where he starred for past two years in both football and wrestling. Won All-State JC grid honors as a lineman and was runner-up in conference heavyweight wrestling competition. Lettered in football under coach Herb Mayer at Oceanside (Calif.) Hi; also lettered in basketball and track. Served as football captain.

CHARLES WILLIAM (CHOO-CHOO) SCHUHMANN — Junior; History major. In absence of James McAlister, he operated — and in stylish fashion — in Spring Practice as No. 1 fullback. He fits perfectly into the Wishbone offense. He's an intelligent football player whose forte is open field running ability. For example, in nearly every scrimmage last spring he broke for at least one long run. His blocking has improved greatly. Last year, as the No. 3 FB behind

seniors Randy Tyler and Gary Campbell, he impressed with his running, averaging 7.1 yards on 22 carries. He broke for several long runs, including TD runs of 48 yards (vs. Oregon) and 13 yards (vs. WSU). He was redshirted in 1971 after being a hard-running fullback on undefeated 1970 UCLA Frosh team. Lettered in football under coach Brent Carder at Bonita Hi in La Verne, Calif.; also lettered in baseball and track. Won 1969 All-Southern California CIF honors at fullback. Served as football captain in both his junior and senior years.

INDIVIDUAL VARSITY STATISTICS

1972—Rushing: 22 carries, 156 net yards, 7.1 average, 2 TD's.
Scoring: 2 TD's for 12 points.

JOHN MICHAEL SCIARRA — Sophomore; undecided on major. Really impressed last year as a freshman player. With quarterback manned by two more experienced players (Mark Harmon and Rob Scribner), he still contributed strongly to a fine 8-3 season. Was the team's leading punt and kickoff returner — and a most dangerous one. He averaged 12.1 yards on 22 punt returns, with a long one of 34, to rank No. 3 in the Pac-8; and 22.0 on 17 kickoff returns, topped by a 35 yarder. In other words, he's an outstanding runner. On occasions he also played at split end and on one end-around he romped for 71 yards (vs. California), the Bruins' longest running play that failed to score. He averaged 13.0 on 10 carries — and caught one pass. But this year he'll concentrate solely on his QB duties. He indicated in Spring Practice that he's learning fast to execute the Wishbone offense. His very strong throwing arm also looked more controlled. He brings great physical equipment to QB. In final spring game, he led the Golds to victory, scoring on a 58-yd. run and hitting on a 68-yd. TD pass to Norm Andersen. His game stats were impressive: 72 net yards on 6 carries for a 12.0 average and 9 of 12 passes for 149 yards! Entered UCLA in fall of 1972 from Bishop Amat Hi in La Puente, Calif., where he was 1971 Southern California CIF 4-A "Player of the Year." He was one of the country's most highly sought-after prep QB's. A versatile athlete, he also won All-CIF honors in baseball (shortstop) and also competed in track as a sprinter (10.0). In 1971, he accounted for 33 TD's, passing for 17 and running for 16, in pacing his Bishop Amat team to a perfect 12-0 record. Served as captain in both football and baseball.

INDIVIDUAL VARSITY STATISTICS

1972—Rushing: 10 carries, 130 net yards, 13.0 average, no TD's.
Receiving: 1 reception, 9 yards, no TD's.
Punt Returns: 22 for 265 yards, 12.1 average, no TD's.
Kickoff Returns: 17 for 375 yards, 22.0 average, no TD's.

SPENCER GENE (GENE) SETTLES — Junior; Political Science major. Started 5 games at linebacker last year and is tabbed to be starter at LLB this fall. He tied with James Bright as the team's most prolific tackler last year with 79. Had an excellent Spring Practice and showed good leadership qualities. A solid all-around player, he continues to show steady improvement. Was a starting linebacker on 1971 UCLA Frosh team. Lettered in football under coach Wardell Marley at B. C. Elmore Hi in Houston, Texas. Won All-District honors at linebacker and also saw action at fullback. Served as football captain.

DARYL C. STEEN — Junior; Sociology major. A promising new offensive tackle, he transferred to UCLA last spring from East Los Angeles JC where he starred for past two years. Won All-America JC honors as a lineman. An outstanding athlete with good size (6-4, 245), he was making great progress at OLT in Spring Practice until he suffered a neck injury and missed the final two weeks. Lettered in football under coach Tak Kobayashi at Montebello (Calif.) Hi; also lettered in baseball and basketball. Won all-league honors in both football and basketball. Also served as captain in these sports.

PATRICK (PAT) SWEETLAND — Junior; Kinesiology major. This new defensive nose guard demonstrated in Spring Practice that he has the potential to be one of the country's finest performers at this position. A transfer last spring from Orange Coast (Calif.) College, he has everything to be a great one, including size (6-2, 240), toughness and quickness. Plus, he's strong and intelligent — and an excellent pass rusher. Goes into Fall Practice ahead of letterman Greg Norfleet at NG. Won all-conference and All-America JC honorable mention at OCC last year. Lettered in football under coach Max Miller at Costa Mesa (Calif.) Hi; also lettered in basketball. Won All-Orange County grid honors.

WILLIAM THOMAS (TOM) WADDELL — Junior; Kinesiology major. A returning starter at defensive right tackle — he started 9 games — he was moved to right linebacker in Spring Practice. He indicated he's going to be an outstanding LB. Has everything for his new position: size (6-4, 219), quickness, toughness and football savvy. Had a standout soph season in '72, including being in on 68 tackles and sacking the QB six times. He did what every lineman dreams about: intercepted a pass and ran for a TD (for 12 yards vs. California). Was redshirted in 1971 after being a starting tackle on 1970 UCLA Frosh team. Lettered in football under coach Herb Mayer at Oceanside (Calif.) Hi; also lettered in track and basketball.

THUMBNAIL SKETCHES

Won All-Avocado League honors in both football and basketball and also served as captain in these two sports.

GREG LA MONT WILLIAMS — Junior; Political Science major. Up from 1972 UCLA Junior Varsity team on which he was a defensive back. Returned a kickoff 85 yards for TD in 24-7 victory over USC Jayvees. An outstanding athlete, he needs only to become more consistent to see action at left cornerback. Was a defensive back on 1971 UCLA Frosh team. Lettered in football under coach John Nules at El Cerrito (Calif.) Hi; also lettered in baseball and track. Won all-league grid honors as a flanker and defensive back. Served as Student Body president.

STEPHEN CARLTON (STEVE) WILLIAMS — Junior; Economics major. A transfer from Air Force Academy where he played Frosh football in 1970, this promising offensive guard entered UCLA in fall of 1971 and sat out that season because of NCAA transfer rule. Last year, he was redshirted and so has two seasons of eligibility remaining. Extremely competitive and intelligent, he indicated in Spring Practice he's going to push Gene Clark for starting honors. Lettered in football under coach Jack Neumeier at Granada Hills (Calif.) Hi. Was his team's most valuable offensive lineman.

CARL N. ZABY — Sophomore; undecided on major. A promising running back, he transferred to UCLA last spring from Rio Hondo JC in Whittier, Calif., where he starred last year. Indicated in Spring Practice that he has the speed and "hands" to help at OLH. However, he must learn the blocking skills required in the Wishbone offense. May be a year away but could be a Bruin running star of the near future. Lettered in football under coach Marty McKinny at El Rancho Hi in Pico-Rivera, Calif.; also lettered in baseball and track (10.1 sprinter). Won all-league grid honors.

THE STUDENT MANAGER

GARY ALBERT (STREAK) LYNCH — Junior; Political Science major. Last year, he served as co-head football manager with senior Les Latner. Now, this season, he's the headman with four assistants, Bob Kahn, his top aide; Bob Ridley, Phil Guskin and Eric Bissell. This is his third year as a football manager, having served in 1971 as a freshman. Also has served as the Bruins' baseball team head manager for past two years. He started his managing career at Reseda (Calif.) Hi when he handled the football, baseball and basketball teams. He says, "I've always loved sports and managing is a challenge to me. I try to see how well I can handle the many duties confronting a manager. It's fun." He is another in a long line of Bruins who have served their alma mater well by serving as oftimes overlooked student managers. "Streak" is one of the best.

UCLA'S ALL-TIME 'TOP 10' IN NINE INDIVIDUAL CATEGORIES

Here are UCLA's all-time "Top 10" leaders in nine individual categories, including ball-carrying, passing, total offense, pass receiving, punting, scoring, punt returning, kickoff returning and pass intercepting.

Four 1973 Bruins are already among the leaders. Senior Kermit Johnson is now No. 8 among the ball-carriers and figures to become No. 1 in this category. Senior Efren Herrera is the No. 10 scorer and should move up near the top. Sophomore John Sciarra is already the No. 10 kickoff returner and No. 12 punt returner and appears headed for the top in both these categories if his quarterback duties permit him to perform specialized chores. And senior Jimmy Allen is tied for No. 17 in pass interceptions and figures to wind up high in this category.

UCLA HOLDS ALL-TIME SERIES LEAD OVER 5 OF 7 PAC-8 FOES

UCLA holds an all-time won-loss football record over each Pacific-8 Conference rival except USC and Washington.

The Bruins trail the Trojans in their crosstown series with 13 wins to 23 losses and 6 ties. And they trail Washington by one game (17-18-1). Otherwise, UCLA leads Washington State, 18-6-0; Oregon State, 17-8-4; Oregon, 19-12-0; California, 24-18-1; and Stanford, 22-19-2.

And so the Bruins' all-time record against their seven Pac-8 rivals is 130-104-14 for a .533 winning percentage going into 1973.

Here are UCLA's game-by-game results with its conference rivals in the order they are played this season, with the Bruin score listed first:

HISTORY OF UCLA

"UCLA," Life magazine once said, "has come to mean the very best in U.S. collegiate sports," and the University's national history in basketball, football, track, tennis, volleyball and water sports supports that assessment.

Not to be overlooked, however, is UCLA's academic record, which is equally lustrous, especially considering that the institution is less than 55 years old. For the last decade it has been ranked among the dozen leading universities of the nation.

The growth of UCLA in enrollment and facilities has paralleled its academic development. In 1919 there were 1,338 students; today's fall enrollments have risen somewhat above the 27,500 ceiling prescribed by the California Master Plan. UCLA's faculty totals 1,776, with 8,760 staff personnel.

Since 1929, the university has been located on its 411-acre site in Westwood, where its $370,000,000 campus houses an intensive teaching and research program. Altogether 65 departments of instruction in 13 schools and colleges address themselves to the task of producing high quality graduates for California's needs, and 27 research institutes and centers pursue research goals for society's welfare.

Though most of UCLA was constructed with state and federal funds, quite a few projects are financially self-liquidating. Residence halls and parking structures (for 10,350 cars) are being paid for by their users. The 12,000-seat Drake Track and Field Stadium was built without tax funds, and the $5,000,000 Pauley Pavilion included $1,000,000 from Regent Edwin W. Pauley and $2,000,000 from alumni and students.

UCLA's facilities have also been enhanced by private gifts in the academic fields. For example, UCLA's remarkable collection of ethnic art is based largely on the gift of the 25,000-item Wellcome Collection, one of the world's finest. The Franklin D. Murphy Sculpture Garden contains 47 major scultptures by famous 20th Century artists, all gifts of friends of the University.

Some evidence of UCLA's position in the field of research can be gained from the grants, fellowships, and other support from the federal government, which in 1970-71 showed UCLA in eighth place nationally, with $54,000,000. The UCLA hospital, operated in conjunction with the UCLA School of Medicine was ranked 7th in a national survey of physicians conducted by Today's Health. The university's library, largest research library in the southwest, contains 3,300,000 volumes and was ranked fourth in the nation in overall strength and quality.

A strong faculty, working in this unusual setting, has produced UCLA's national academic reputation. Its position in the top dozen American universities was confirmed by the 1970 survey of graduate instruction of the American Council on Education.

When UCLA's athletic accomplishments are added to its academic achievements, it appears that the university has effectively pursued the ancient ideal of the "sound mind in a sound body."

DR. CHARLES E. YOUNG
UCLA Chancellor

One of the youngest Chief Executives of a major university when he became Chancellor of UCLA five years ago, Dr. Charles E. Young now has a solid record of administrative accomplishments behind him.

He is 41 years of age, and is known as "Chuck" to his many friends. He stands six feet three inches tall and weighs just under 200 pounds.

A sports fan, he was a high school football player and attends most UCLA football and basketball games and home track meets.

He has said that "excellence in the classroom and in the laboratory are compatible with excellence on the playing field and in the gymnasium."

Chancellor Young took office on Sept. 1, 1968, succeeding Dr. Franklin Murphy who became Chairman of the Board and Chief Executive Officer of the Times Mirror Company in Los Angeles.

UCLA's present Chancellor was born in San Bernardino, Calif., on Dec. 30, 1931. There he attended high school and junior college. During the Korean War he enlisted in the Air Force and attained the rank of sergeant as Personnel Services Supervisor, serving in California and Japan. Before going overseas, he married a college sweetheart, Sue Daugherty.

When he returned to civilian life, he enrolled in the newly-established University of California, Riverside. During his senior year in 1955, he demonstrated his "take charge" qualities by becoming UC Riverside's first student body president.

He then enrolled at UCLA where he earned his M.A. (1957) and his Ph.D. (1960), both in political science. His doctoral dissertation was on the subject of "Politics of Political Boundary Making." He spent the year 1958 in Washington, D. C., on a Congressional Fellowship.

In 1959, UC President Clark Kerr lured him back to California to join his staff. For about a year he served as staff assistant to the academic team drawing up the Master Plan for Higher Education in California, worked on the University Growth Plan, and studied decentralization of the University. He also taught political science at Davis in the spring of 1960.

In the fall of 1960, after Dr. Murphy had been appointed UCLA Chancellor, he chose as his assistant the young man-on-the-go. In 1962 Dr. Young took another step up the administrative ladder to become Assistant Chancellor, and in 1963 he became a Vice Chancellor. His responsibilities included handling administraitve, budgetary and student problems.

Chancellor Young holds an academic appointment as professor of political science at UCLA, and his writing and teaching have been in the area of American political theory and politics.

J. D. MORGAN
Director of Athletics

J. D. Morgan has now completed his first decade — July 1, 1963, through July 1, 1973 — as UCLA's director of athletics. And it has been a remarkable 10 years of achievement and growth for the Bruins, a decade in which they won an unprecedented 22 NCAA team championships.

This is the most NCAA titles ever won by a university and an athletic director over a single decade: nine in basketball (1964-65-67-68-69-70-71-72-73), four in track (1966-71-72-73), and three each in tennis (1965-70-71), water polo (1969-71-72) and volleyball (1970-71-72).

But UCLA's entire 18-sport program has been most successful under his astute guidance and leadership since he succeeded the late Wilbur Johns in 1963.

For example, this past 1972-73 athletic year was a mighty good one, with the Bruins not only winning three NCAA titles in water polo, basketball and track, but also placing high nationally in soccer (runner-up), tennis (third) and swimming (fourth). Plus, the Bruins' four-man varsity crew has won back-to-back National Collegiate crowns in 1972 and '73. And the Bruins' rugby team retained the World Cup, which annually goes to the winner of a series between the top U.S. and Canadian college teams.

And, of course, J. D. is most proud of UCLA's amazing success in NCAA basketball, in which the Bruins have now won seven straight titles and nine in the last 10 years, and also the Bruins' first Rose Bowl victory in 1966 game with a stunning 14-12 victory over top-ranked Michigan State.

In addition, his tenure has been highlighted by the move of the Athletic Department into new and permanent quarters, the return of Bruin basketball to the campus in Pauley Pavilion, opening of a new boathouse for crew at Marina del Rey and the opening in 1969 of Drake Stadium, a beautiful track and field facility.

He has been at UCLA since 1946 employed in the positions of accountant, associate business manager, tennis coach and now athletic director.

Morgan's tennis coaching career, in which he turned out 16 straight winning seasons, was featured by no less than seven NCAA team championships (1952-53-54-56-60-61-65) and four national runner-up teams (1962-63-64-66). He coached eight NCAA singles or doubles champions, including Arthur Ashe, Ian Crookenden, Allen Fox, Larry Huebner, Ron Livingston, Larry Nagler, Charles Pasarell and Bob Perry. He retired from coaching following the 1966 season.

In 1966, J. D. was cited for "outstanding professional achievement in the field of athletics" at UCLA's Anniversary Day ceremonies. He's currently a member of the NCAA Basketball Tournament Committee. And this year he was honored by the Columbus (Ohio) Touchdown Club as "Athletic Director of Distinction."

He was born in Newcastle, Okla., on March 3, 1919. He attended Cordell, Okla., High School where he was an outstanding four-sport athlete in football, basket-

DR. THOMAS L. JACOBS
Faculty Athletic Representative

Dr. Thomas L. Jacobs, a research chemist and avid sports fan, is in his fifth year as UCLA's Faculty Athletic Representative. He began his present term in 1969 after an earlier period of service in 1961.

As the Chancellor's representative to the Pacific-8 and NCAA, Dr. Jacobs works with faculty representatives from the other member schools in determining all policy matters and approving all governing legislation at the conference and national levels, including eligibility of student athletes. Last year, he served as president of the Council of the Pacific-8 Athletic Conference.

Dr. Jacobs is a long-time spectator at UCLA athletic events.

As a teacher and scholar, Dr. Jacobs is an organic chemist who has done notable fundamental research on the mechanisms of organic reaction, particularly of acetylenic and allenic compounds. He has studied the polymerization of these compounds as well. He is interested in industrial organic chemistry and has been for a long time consultant to the 3-M Company.

During World War II, Dr. Jacobs was director of an anti-malaria program for the Office of Scientific Research and Development. He also has served for many years on UCLA Academic Senate committees and during 1967-68 was the chairman of the Senate. In addition, he has served as chairman of the UCLA and University Budget Committees and in 1965-66-67 was on the Budget Review Board of the University.

He took his Bachelor's degree at Cornell College in Iowa in 1930, and his Ph.D. in chemistry at Cornell University in N.Y. in 1935. After teaching four years at Harvard, he joined the UCLA faculty in 1939.

When his teaching and research permit, Dr. Jacobs is an active golfer and enjoys camping, hiking, and angling. He is a member of the Sierra Club.

His own athletic career includes three years of football and two years of basketball at Forest City High School in Iowa and one year of football at Waldorf Junior College, also in Forest City.

Dr. Jacobs lives with his wife Ruth in West Los Angeles. They have a married daughter, Antoinette Kayser, herself a mother of three boys, who lives in Santa Barbara, and two married sons, Richard, who graduated from UCLA, and William, a graduate of UC Davis.

ball, baseball and tennis. Then, at UCLA, he was a four-year letterman in tennis, serving as 1941 team captain and No. 1 player. A back injury kept him from playing football for the Bruins.

Morgan graduated from UCLA's School of Business Administration in 1941. During World War II he commanded a Navy torpedo boat.

He is married to the former Cynthia Gray Crane, who is very active in University women's affairs. They have a son, Kevin, 19, and a daughter, Pamela, 12.

UCLA VERSUS...

THE BIG EIGHT CONFERENCE

It's a "natural" for national TV. In last season's opener, the underdog Bruins unveiled their new Wishbone attack with a stunning 20-17 upset over No. 1 rated Nebraska in Los Angeles. Now, ABC will cover the rematch in the '73 inaugural in Lincoln on Saturday, Sept. 8. UCLA has fared remarkably well against Big Eight in football with an all-time winning record of 8-1-1, to date, including a spotless 3-0 mark against the Cornhuskers:

THE BIG TEN CONFERENCE

UCLA meets two Big Ten teams this season and would like to make it three. In back-to-back meetings, the Bruins host Iowa in the Coliseum in Game No. 2 on Saturday, Sept. 22, and then travel to East Lansing the next Saturday, Sept. 29, to take on Michigan State in Game No. 3. UCLA will be going against the Hawkeyes, a team it has never lost to in four previous meetings, for the first time in 18 years (1955). And the Bruins will be opposing an old Rose Bowl adversary—they've met an unprecedented three times in the New Year's Day classic—when they play the Spartans. Their last meeting was on Jan. 1, 1966 in Pasadena when the Bruins scored a resounding 14-12 upset over the No. 1 rated Spartans. The Bruins hope to break a two-game losing streak to the Big Ten, having lost to the "other" Michigan team, the Wolverines, 26-9 last year and 39-0 in 1971. And all the Bruins have to do to meet a third Big Ten foe is to be the Pac-8 rep in 1974 Rose Bowl. UCLA is now 14-18-2 against the Big Tenners in all-time competition:

TEAM	W	L	T
Illinois	2	5	0
Indiana	Never Met		
Iowa	4	0	0
Michigan	0	4	0
Michigan State	1	3	0
Minnesota	0	1	0
Northwestern	2	3	0
Ohio State	1	1	0
Purdue	1	0	2
Wisconsin	3	1	0
UCLA Totals	14	18	2

THE WESTERN ATHLETIC CONFERENCE

Until 1971, the Bruins hadn't played a WAC team in football since 1962, a nine-year lapse. But now UCLA will be facing a WAC opponent for the third straight year when they host Utah in the Coliseum on Saturday, Oct. 6, in Game No. 4. The Bruins have never lost to the Utes in five previous meetings. Their last confrontation was in '62 with the Bruins scoring a narrow 14-11 decision in Salt Lake City. UCLA has met only three of the eight WAC members in football and holds a decisive 8-1-1 victory margin:

TEAM	W	L	T
Arizona	2	1	1
Arizona State	Never Met		
Brigham Young	Never Met		
Colorado State	1	0	0
New Mexico	Never Met		
Texas, El Paso	Never Met		
Utah	5	0	0
Wyoming	Never Met		
UCLA Totals	8	1	1
